All Year Long Funny Readers Theatre For Lifes Special Times:

All Year Long! Diana R. Jenkins, 2007-08-30 This reader's theatre compilation of contemporary humorous plays that deal with the problems middle school students face is similar to the author's previous Teacher Ideas Press title *Just Deal With It*. The plays in *All Year Long* are themed to fit special times of year such as the beginning of school holidays and spring vacation and address problems experienced by this age group: peer pressure, fear of failure, jealousy, and more. Each reproducible play offers at least eight roles, boys and girls. Each includes a plot summary, prop list, and costume and presentation ideas, as well as ideas for further student reading on the topic or theme. This engaging collection, which can be adapted to small group or whole class presentations, will be useful to teachers and librarians who are looking for fun things to do with kids to promote reading fluency and discussion. Grades 6-8.

Children's Literature in Action Sylvia M. Vardell, 2019-06-14 This practitioner-oriented introduction to literature for children, ages 5-12, covers the latest trends, titles, and tools for choosing the best books and materials, as well as for planning fun and effective programs and activities. The third edition of *Children's Literature in Action* provides an activity-oriented survey of children's literature for undergraduate and graduate students seeking licensure and degrees that will lead to careers working with children in schools and public libraries. Author Sylvia M. Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children's literature to deliver something different: a book that focuses specifically on the perspective and needs of the librarian, with emphasis on practical action and library applications. Its contents address seven major genres: picture books, traditional tales, poetry, contemporary realistic fiction, historical fiction, fantasy, and informational books. Each chapter includes practical applications for the educator who shares books with children and who develops literature-based instruction. Chapters are enriched by author comments, collaborative activities, featured books, special topics, and activities, including selected awards and celebrations, historical connections, recommended resources, issues for discussion, and assignment suggestions. This new edition incorporates the 2018 AASL National School Library Standards.
