Aphrodisiac Russian Dunaenko Alexander:

Aphrodisiac Dunaenko Alexander, 2015-12-12 Stories of Alexander Dunaenko are sounded right I'm trying to understand why so Is this related to any particular way to build a narrative Or the author excavated from a dark blue velvet pouch word gems endowed with magical powers to attract the reader's attention and skillfully inlay of the text Or maybe he just characters are three dimensional four dimensional or even that living people seem to be alive All this is yes And the rhythm of Dunaenko's prose concise and resilient and easily subdues the reader's breath And now after a short time the reader is surprised to find that breathing in time with the storyteller In the right places previously took a deep breath holds the desired length of the pause and then oh In one portion empties before the vacuum chest Or issue in small portions pronouncing at the short but uh oh But the main thing in this whole story in my opinion is that Alexander Dunaenko describing in his stories quite ordinary life a man and a woman between love or lack of love strife betrayal meetings inspiration tears separation thrilling no what am I talking least of all to face gown Sasha judge is that life with a very not ordinary not narrow minded perspective His cross view and in some cases at all counter opinion The most beautiful pictures in the photo and video obtained if the camera lens is directed against the sun in the frames of a get rich color depth and shade and the contours of objects acquire a luminous halo it is only necessary to competently select exposure Alexander Dunaenko versed in cinematography therefore confirm my words The most interesting observations of life at that writer who is looking against the light It is only necessary so that the light is not blind eyes a little squint But where squint there's an easy and ironic smile So watch can only be an independent person I can only assume what cost does this independence The majority of the stories in the book through erotic And the author does not accept the airy ethereal sensuality where the main intrigue masked with silk and we have only to change the pattern of folds they diverge converge in a spiral curve fall rise up again guess what's really going on The author seems to provoke the reader utmost frankness he does not know the embarrassment in the description of the very very those caches on the outskirts of a writer who suddenly rolled up and winks and grimaces to vulgarity Alexander Dunaenko very finely and precisely is the story and in fact the themes of an explosive the slightest wrong move and run into a mine It seems to me that in a similar way only a very brave and very wise author I am grateful to the author for his extremely gentle attitude toward women Not worshiping Because he knows and understands the woman it is not the divine light but light and shadow Perhaps this it attracts a man Male researcher A favorite theme of his research the state border of the female soul in which the woman is revealed fully generously without reserve Like a beautiful flower And grateful for wormwood bitter feeling of light in the soul which remains after reading the stories They definitely need to read everything Because everyone another facet of the world of Alexander Dunaenko Travel through this world without fear He is kind wise and glows with love Alexander Valaeva
