IS BELIEVING

The background is a blackboard filled with various mathematical and scientific notations. At the top, there are equations like $X = X_f - X_i$, $D^2 = \frac{1}{\rho^2} \frac{\rho - p}{\rho} \sim \frac{1}{\rho^2}$, $(a+2)x = b$, $V = V_f - V_i$, H_2O , and $E = mc^2$. On the left, there's a graph with a wavy line and axes labeled 'YEAR' and 'x'. Below that is a coordinate system with points $(-1, 3)$ and $(x+1)$. In the center, there's a flowchart with four nodes: 'POLICY STRATEGY', 'SECURITY', 'OUTPUT', and 'TOOL', connected by double-headed arrows. To the right, there's a circuit diagram with resistors labeled $R1, R2, R3, R4, R5$ and a box containing the formula $\frac{V}{I} = R$. At the bottom right, there's a calculation $\frac{7.1 \times 1000}{1} = 7100$.

Cultural Contextualization of Apologetics Matt W. Lee, 2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the

arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul s cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul s world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical

Echoes of a Voice James W. Sire, 2014-04-21 Early evening a young boy alone on his pony on the rim of the Nebraska Sandhills Three darkening thunderclouds rising higher and higher on the horizon An electric atmosphere a quickening light cooling breeze A slight shiver and the boy wonders Am I being pursued by the Father the Son and the Holy Ghost These sudden unbidden unexpected strange experiences We all have them What are they Mere plucking on the emotional strings of our material selves Or do they have a deeper meaning Do they signal the Presence of something other maybe some Other maybe some one Other some thing or some one above below beyond our normal waking consciousness James W Sire has studied a massive number of these accounts He pairs them with his own experiences and turns to scientists philosophers and theologians for explanation These experiences he concludes are signals of transcendence or what N T Wright calls echoes of a voice the voice of Jesus calling us to follow him into God s new world This book is an account of the author s journey to this conclusion

The New Copernicans David John Seel Jr., 2018-01-16 Our millennial children as well as nonchurchgoing millennials are both the church s greatest challenge and its most exciting new opportunity John Seel PhD Warning There is a fundamental frame of reference shift in American society happening right now among young adults You may think of this group as millennials those born between 1980 and 2000 but millennials resist this label for good reason the national narrative on them is pejorative patronizing and just plain wrong Here s what we do know Of Americans with a church background 76 percent are described as religious nones or unaffiliated and it s the fastest growing segment of the population Close to 40 percent of millennials fit this religious profile Roughly 80 percent of teens in evangelical church high school youth groups will abandon their faith after two years in college It s unlikely that the evangelical church can survive if it is uniformly rejected by millennials and yet Millennial pastors and youth ministers are disempowered their perspective is often not taken seriously by senior church leadership Most millennial research is framed in categories rejected by millennials that is left brained analytical communication is lost on right brained intuitive millennials Evangelicals bias toward rational left brained thinking makes the church seem tone deaf What s next Read on John Seel suggests survival strategies communication on ramps for genuine human connection with the next generation It can be done

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in

English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Why Christian Faith Still Makes Sense (Acadia Studies in Bible and Theology) C. Stephen Evans, 2015-05-12 In recent years the Christian faith has been challenged by skeptics including the New Atheists who claim that belief in God is simply not reasonable Here prominent Christian philosopher C Stephen Evans offers a fresh contemporary and nuanced response He makes the case for belief in a personal God through an exploration of natural signs which open our minds to theistic possibilities and foster belief in the Christian revelation Evans then discusses why God s self revelation is both authoritative and authentic This sophisticated yet accessible book provides a clear account of the evidence for Christian faith concluding that it still makes sense to believe

C. S. LEWIS PRE-EVANGELISM FOR A POST- CHRISTIAN WORLD Brian M. Williams, 2021-01-23 We find ourselves living today in very much a post Christian world Not only does the culture largely reject Christianity s claims we find that long held basic truths that people have embraced throughout history have been jettisoned the belief in objective morality right and wrong transcend each person s opinions and feelings spiritual reality the world contains more than what we see via our 5 senses that God is real that truth is objective and knowable if something is true my disagreeing with it or finding it unpleasant emotionally doesn t make it false This presents a great difficulty for Christians trying to communicate the Christian message to people today We can take nothing for granted if the message is to make any sense to the hearer We must start with the most basic concepts The question then arises How do we make a start when the bedrock ideas are not only disbelieved but viewed with contempt by so many today C S Lewis thought that he had found a door we could enter to steal past the watchful dragons of the modern person s reason by way of imaginative fiction He sought to re introduce Christian ideas clothed in mythological garb so that in time after their affections had been stirred the explicit message about Christ might be given a fair hearing He engaged both the heart and the head In this way he pre evangelized his audience This book examines the grounds both philosophically and theologically upon which he did that It explores Lewis s view of reality and the human imagination surveying his Chronicles of Narnia and The Space Trilogy in particular to demonstrate precisely how he carried out this strategy We can learn from Lewis here as we show both the

beauty and the truthfulness of Christianity to people in a way that meets them where they are *Weltanschauung and Apologia* Elias Hofer, 2022-10-11 This book allows us to accompany C S Lewis on his intellectual and spiritual journey from atheism to pantheism and eventually to Christianity It analyzes key elements of Lewis s Christian worldview and identifies challenges leveled against it from alternative worldviews It examines Lewis s apologetic methodology highlighting how it was shaped by his worldview and provides an analysis of Lewis s specific responses to a number of objections The project also serves as a comparative analysis of worldviews particularly as they relate to truth claims of the Christian faith The notion of worldview is critical to the formulation of views One s worldview determines how reality is perceived It s characterized as a set of glasses through which we view our surroundings and interpret experiences It accounts for the perspective we bring to every event in life and helps explain why different people see things differently when looking at the same data The same evidence may lead one person to reject a particular conclusion while moving another to embrace what the other rejected Lewis s major works are explored at length in this book Although much has been written about Lewis Hofer s examination of the influence of worldview on his work is unique
