Appropriately Subversive Modern Mothers In Traditional Religions:

Appropriately Subversive Tova Hartman Halbertal, 2002 The author interviewed mothers of teenage daughters in religious communities Catholic in the USA and Orthodox Jews in Israel to find out how to reconcile conflicting loyalties

Between Feminism and Orthodox Judaism Yael Israel-Cohen, 2012-07-25 In *Between Feminism and Orthodox Judaism* Yael Israel Cohen offers an intricate picture of feminist religious identity resistance and religious change *Women, Ritual, and Power* Elizabeth Ursic, 2014-09-30 Reveals the triumphs and struggles of contemporary Christian congregations to express female imagery of God in worship Many Christians do not know the Bible contains female images of God because they have never heard nor seen them in church In *Women Ritual and Power* Elizabeth Ursic gives the reader insight into four Christian communities that worship God with female imagery both as a worship focus and a community identity These Methodist Presbyterian Lutheran and Catholic congregations operate within their established church denominations and are led by either ordained Protestant ministers or vowed Catholic sisters Because expressing God as She can expose strident claims for maintaining God as He this book shows not only how patriarchy continues to operate in churches today but also how it is being successfully challenged through liturgy *Women Ritual and Power* is an important contribution to the theological world Elizabeth Ursic sheds light on what has enabled churches to include female images for the divine and provides multiple narratives of the negative reactions to such images As she displays how gender is understood in Christian worship with evidence that some churches do include feminist imagery the continuing presence of patriarchy is also revealed The book is basically about the constructive function of the inclusion of feminine images for all One of the main reasons we need this book is that Ursic perceives there is a much wider larger group of Christians who would love to have more feminist images than is recognized in churches and church practices Mary McClintock Fulkerson author of *Changing the Subject Women's Discourses and Feminist Theology* *The Spiritual Practice of Remembering* Margaret Bendroth, 2013-11-11 We often dismiss history as dull or irrelevant but our modern disengagement from the past puts us fundamentally out of step with the long witness of the Christian tradition Yet says Margaret Bendroth the past tense is essential to our language of faith and without it our conversation is limited and thin This accessible beautifully written book presents a new argument for honoring the past The Christian tradition gives us the powerful image of a vast communion of saints all of God's people both living and dead in vital conversation with each other This kind of connection with our ancestors in the faith Bendroth maintains will not happen by wishing or by accident She argues that remembering must become a regular spiritual practice part of the rhythm of our daily lives as we recognize our world to be in many ways a gift from others who have gone before

Handbook of Religion and Society David Yamane, 2016-07-15 The *Handbook of Religion and Society* is the most comprehensive and up to date treatment of a vital force in the world today It is an indispensable resource for scholars students policy makers and other professionals seeking to understand the role of religion in society This includes both the

social forces that shape religion and the social consequences of religion This handbook captures the breadth and depth of contemporary work in the field and shows readers important future directions for scholarship Among the emerging topics covered in the handbook are biological functioning organizational innovation digital religion spirituality atheism and transnationalism The relationship of religion to other significant social institutions like work and entrepreneurship science and sport is also analyzed Specific attention is paid where appropriate to international issues as well as to race class sexuality and gender differences This handbook includes 27 chapters by a distinguished diverse and international collection of experts organized into 6 major sections religion and social institutions religious organization family life course and individual change difference and inequality political and legal processes and globalization and transnationalism **Angels**

on Earth: Mothering, Religion and Spirituality Vanessa Reimer, 2016-08-01 This collection brings together scholarly and creative pieces that reveal how the intellectual emotional and physical work of mothering is informed by women's religiosities and spiritualities Its contributors examine contemporary and historical perspectives on religious and spiritual mothering through interdisciplinary research feminist life writing textual analyses and creative non fiction work In contrast to the bulk of feminist scholarship which marginalizes women's religious and spiritual knowledges this volume explores how such epistemologies fundamentally shape the lived experiences of diverse mothers across the globe In emphasizing the empowerment and enrichment that women derive from their religious beliefs and spiritual worldviews Angels on Earth invites readers to cultivate a deeper understanding of how mothers are transforming their local communities religious institutions and broader spiritual traditions **The Figure of the Child in Contemporary Evangelicalism** Anna

Strhan, 2019-09-26 What does it mean to grow up as an evangelical Christian today What meanings does childhood have for evangelical adults How does this shape their engagements with children and with schools And what does this mean for the everyday realities of children's lives Based on in depth ethnographic fieldwork carried out in three contrasting evangelical churches in the UK Anna Strhan reveals how attending to the significance of children within evangelicalism deepens understanding of evangelicals hopes fears and concerns not only for children but for wider British society Developing a new relational approach to the study of children and religion Strhan invites the reader to consider both the complexities of children's agency and how the figure of the child shapes the hopes fears and imaginations of adults within and beyond evangelicalism The Figure of the Child in Contemporary Evangelicalism explores the lived realities of how evangelical Christians engage with children across the spaces of church school home and other informal educational spaces in a dechristianizing cultural context how children experience these forms of engagement and the meanings and significance of childhood Providing insight into different churches contemporary cultural and moral orientations the book reveals how conservative evangelicals experience their understanding of childhood as increasingly countercultural while charismatic and open evangelicals locate their work with children as a significant means of engaging with wider secular society Setting out

an approach that explores the relations between the figure of the child children's experiences and how adult religious subjectivities are formed in both imagined and practical relationships with children this study situates childhood as an important area of study within the sociology of religion and examines how we should approach childhood within this field both theoretically and methodologically

Why are Women More Religious Than Men? Marta Trzebiatowska, Steve Bruce, 2012-09-20 A state of the art review of social research on the question of why women are more religious than men for those interested in one of the largest differences between male and female behavior

Women's Studies in Religion Kathleen McIntosh, Kate Bagley, 2017-09-19 Women's Studies in Religion A Multicultural Reader uses essays written by today's most respected feminist voices to examine the impact of contemporary feminism on the practice and study of religion Many in the field have expressed the need for a reader that is both accessible to undergraduates who have little background in the study of religion and that shows the transforming impact of feminism on the religious lives of American women This book meets that need

What Animals Teach Us about Families Beth A. Berkowitz, 2026-01-06 Reading the Bible and rabbinic literature to reimagine the bonds between animals Moving beyond debates about the ethics of animal consumption to focus on animals' intimate lives Beth A Berkowitz examines the contribution of religious traditions and sacred texts to contemporary conversations about animals Reading the four animal family laws of the Bible alongside their rabbinic interpretations from ancient times to today she examines the bonds that animals form with each other and reimagines family to include new forms of life and alternative modes of kinship Humanitarian politics and biblical law tend to take for granted that human interests supersede animal interests and that our moral obligation extends only to avoiding unnecessary suffering but necessity is determined by humans What Animals Teach Us About Families looks at animal emotions animal agency family diversity and human response to reconsider the obligations and opportunities the animal family presents
