According to Luke Rudolf Steiner, 2001 10 lectures Basel September 15 26 1909 CW 114 Rudolf Steiner was born with clairvoyant capacities but it was not until he was forty that he could connect his inner experiences with Jesus Christ After that solemn festival of knowledge as he described it in his Autobiography Steiner received ceaseless revelations about the significance of the Christ's incarnation For the next twenty years he spoke of the hidden background to all four gospels the Book of Revelations and even what he called the Fifth Gospel read directly from the spirit worlds These lectures present the most accessible and illuminating of Steiner's revelations about the significance of the Christ for the spiritual development of humanity He discusses the link between the Buddha and the Christ which unites Buddhism and Christianity not in theory but in the spiritual activities of those two beings Steiner also describes the relationship between the Greek Mystery traditions and the Mystery of Golgotha A sign was to be placed before them as well a sign that would now be enacted before the eyes of all humankind The mystical death which had been a ceremonial act in the Mystery temples for hundreds and thousands of years would now be presented on the great stage of world history Everything that had taken place in the secrecy of initiation temples was brought into the open as a single event on Golgotha Utilizing a historical overview revealing the relationship between the great religious traditions and how they have conspired together for the good of humanity Steiner never loses sight of the Gospel's great inner meaning as echoed in the Gospel of St Luke The revelation of the spiritual worlds from the Heights and its answering reflection from human hearts brings peace to all whose purpose upon the evolving Earth is to develop good will Contents Introduction by Robert A McDermott The Four Gospels in the Light of Anthroposophy The Luke Gospel As an Expression of Love and Compassion Buddha's Contribution to Humanity Formation of the Nathan Jesus Child Contributions of the Nathan Jesus from Buddha and Zarathustra Elijah John the Baptist and Zarathustra Christ the Great Mystery of Earth Evolution Illness and Healing in Luke and in the Evolution of Consciousness Christ and Maitreya buddha Robert A McDermott's descriptive outline of Steiner's Lectures on Luke According to Luke Rudolf Steiner, 2001-07 Written in 1904 CW 9 Theosophy is a key work for gaining a solid footing in spiritual reality as described by Rudolf Steiner It is organized into four parts First Steiner builds a comprehensive understanding of human nature physical bodily nature soul qualities spirit being or I being and the higher spiritual aspects This leads us to Steiner's description of the human being as sevenfold Material physical body Ether body or body of life forces Sentient soul body Mind soul Spirit filled consciousness soul Life spirit Spirit body In the next section Steiner offers an extraordinary overview of the laws of reincarnation and the principles of karma as we pass from one life to the next This prepares us for the third section in which he shows the various ways in which we live during life on earth and after death and in the three worlds of body soul and spirit Finally we are given a succinct description of the path of knowledge along which each person can begin to understand the marvelous and harmonious complexity of the psycho-spiritual worlds in their fullness This volume is a translation of Theosophie Einf hrung

in bersinnliche Welterkenntnis und Menschenbestimmung GA 9 **The Gospel of John** Rudolf Steiner, 2022-09-06 12 lectures Hamburg May 18 31 1908 CW 103 It was Steiner's intention in these lectures to establish the ways in which this Gospel and its author Lazarus John the one Christ called the beloved disciple provided one of the surest paths to an understanding of the profound relationship of Christ to each human person and to Earth He leads his audience and us readers to an understanding of Lazarus John unknown even to the other three primary evangelists Matthew Mark and Luke who wrote their Gospels several decades before Lazarus John Robert McDermott from the introduction In these twelve profound lectures Rudolf Steiner uncovers and reclaims the essential truths of Christianity illuminating the Gospel of John in all its majesty power and far reaching significance Foremost among the revelations to be found here is the identity of the writer of John's Gospel the risen Lazarus the disciple whom the Lord loved Lazarus John the first to be initiated by Christ Himself wrote his Gospel out of the deepest wellsprings of knowledge implanting within it vital spiritual forces As Steiner states in the final lecture of this volume This Gospel is not a textbook but a force that can work within our souls It is this force living in the words and rhythms of John's Gospel that purifies the soul transforming it in the language of esoteric Christianity into the Virgin Sophia receptive to the Holy Spirit Along this path we come to recognize that Christianity far from being a codified system of beliefs is a living power within the evolution of humanity a power that is only at the beginning of its activity What Steiner calls the Mystery of Golgotha the death and resurrection of Christ stands as the turning point of time the event through which the Earth receives its meaning The effects of this event and the further activity of Christ as the Spirit of the Earth will continue to evolve from year to year century to century until one day in the distant future Christianity will fulfill its mission This cannot happen however until Christianity is understood in its true spiritual form This lecture cycle is an essential guide to understanding the true mission of Christianity a guide to spiritualizing the Earth transforming the Cosmos of Wisdom into the Cosmos of Love As with all great books The Gospel of John not only imparts knowledge it can also change you Our lectures on the Gospel of John will have a double purpose One will be the deepening of the concepts of anthroposophy themselves and their expansion in many directions and the other will be to make this great document itself comprehensible by means of the thoughts that will arise in our souls in consequence of these deepened and expanded concepts I beg you to hold clearly in mind that it is the intention of these lectures to proceed in these two directions It should not be simply a question of arguments about this Gospel but rather that by means of the latter we shall penetrate into the deep mysteries of existence We should hold very clearly in mind how the perspective of anthroposophy must be developed when we are dealing with any of the great historical records handed down to us by the different religions of the world Rudolf Steiner lecture 1 This volume is a translation from German of Das Johannes Evangelium GA 103 Cover image The Raising of Lazarus by William Blake 1757 1827 Pencil pen ink and watercolor on paper 11 6 x 16 Aberdeen Art Gallery Scotland **From Eclipse to Apocalypse** Joel Matthew Park, Robert A. Star Wisdom is scientific resting on a solid mathematical astronomical foundation and a secure chronology of the life of Jesus Christ while it is also spiritual aspiring to the higher dimension of existence expressed outwardly in the world of stars The scientific and the spiritual come together in the sidereal zodiac that originated with the Babylonians and was used by the three magi who beheld the star of Bethlehem and came to pay homage to Jesus a few months after his birth Robert Powell PhD Each volume of Star Wisdom includes articles of interest on star wisdom Astrosophy and a guide to the correspondences between stellar configurations during the life of Christ and those of today The guide comprises a complete sidereal ephemeris and aspectarian geocentric and heliocentric for days throughout the year According to Rudolf Steiner every step taken by Christ during his ministry between the Baptism in the Jordan and the Resurrection was in harmony with and an expression of the cosmos Star Wisdom is concerned with heavenly correspondences during the life of Christ It is intended to provide a foundation for cosmic Christianity the cosmic dimension of Christianity a dimension that has been missing from its two thousand year history Readers can begin on this path by contemplating today s movements of the Sun Moon and planets against the background of the zodiacal constellations sidereal signs in relation to corresponding stellar events during the life of Christ This opens the possibility of attuning in a living way throughout the year to the life of Christ in the etheric cosmos Star Wisdom volume 6 features a variety of articles that although historical in many cases are relevant to the present time beginning with Joel Matthews foreword which focuses on the social and spiritual significance of the eclipse of 2024 the gateway out of the Age of Eclipse and into Apocalypse as well as eclipses of recent years and another that will occur in 2045 Joel Park also brings part 3 of The Sacrifices of Jesus and Christ with a comprehensive view of several millennia of past and coming times of transformation He also brings part 4 of Returning to the Origin of the Houses Practical Application and Summary which aligns the Houses and Tarot Julie Humphreys article The Bull Hurls a Thunderbolt discusses Uranus as it passes through the cusp of Aries and Taurus in June in sync with the human biographical seven year periods of life Also included is a lecture by Rudolf Steiner Individual Spirit Beings and the Constant Foundation of the Universe from Secret Brotherhoods and the Mystery of the Human Double discussing the influences of secret brotherhoods and the transition of human culture to a new era Krisztina Cseri s article One Hundred Years after the Karma Lectures by Rudolf Steiner illumines karmic relationships from an astrological point of view Robert Powell s Classics in Astrosophy series revisits the concept of a lunar calendar for farmers and gardeners The ephemerides for this volume cover not only the months of 2024 but also most of the months during the earthly ministry of Jesus Christ from December ad 29 to June 33 which may be used in conjunction with The Visions of Anne Catherine Emmerich Illustrated in color and black and white *The Four Gospels* Christoph Rau, 2024-04-16 When a theologian speaks of the widespread misconception nowadays that faith is an intellectual holding of what is possible they underpin a wretched reduction of faith Since the interest of New Testament studies shifted to philosophical details the word of the Bible was treated intellectually thus shaking the foundation of faith in many people

Christoph Rau Could a deeper cause of today's myriad human troubles be related to a dwindling or even nonexistent familiarity with the four New Testament Gospels of Matthew Mark Luke and John This is the view of Christoph Rau for whom today's prevailing approach to theological research which treats the ancient religious texts more as literary products than authentic records of spiritual experience is if anything a contributing factor in our modern alienation from the spirit In this book Rau presents the results of five decades of research demonstrating the independent structure of each of the four canonical Gospels Through clear analyses he illumines the distinctive stylistic features of each composition revealing the design principles through which the meaning and goal of each Gospel can be understood Beyond the intrinsic value of each Gospel the author draws on their special features to explain how the spiritual richness of the four written works is fully revealed only by considering the pre-Christian religions because each of the evangelists describes the incarnation of the Son of God from the perspective of his own mystery religion Furthermore the author succeeds in showing that the Gospels despite their seeming contradictions are elements of a common organism This book is a translation from German of *Die Vier um den Einen Wesensart und spiritueller Hintergrund der Evangelien* Verlag Dr Dieter Winkler 2008 *The Temple Sleep of the Rich Young Ruler* Edward Reaugh Smith, 2011-11 Who wrote the Gospel of John The author identifies himself only as the disciple whom Jesus loved and Christian tradition tells us that this disciple was the apostle John However during the past century scholars have increasingly come to doubt that attribution In 1902 Rudolf Steiner wrote that the author of the Gospel of John was in fact Lazarus Steiner's position stemmed from his insight that Lazarus's encounter with death involved far more than people realized an initiation into higher spiritual realities that uniquely qualified him to write this gospel Edward Smith takes up this argument and shows that subsequent research has tended to favor Lazarus for reasons grounded in John's Gospel itself More important Smith shows that subsequent discoveries at Nag Hammadi and Mar Saba corroborate Steiner's reasoning about the nature of the raising of Lazarus pointing to Lazarus as the rich young ruler of Mark's Gospel

Universal Spirituality and Human Physicality Rudolf Steiner, 2014-09-04 Our contemporaries who wish to keep to a narrow minded and superficial outlook are annoyed to find that spiritual science continually seeks the whole picture that it has to create a bridge between the body and the soul and truly explores how the psyche becomes corporeal and the body becomes psychological How do the soul and the spirit live in human physical bodies In our materialistic age in which the very existence of the metaphysical is widely rejected such questions are rarely posed let alone addressed In this exceptional series of lectures Rudolf Steiner speaks in scientific detail about the connection of the subtle aspects of human nature our soul and spirit to our physical constitution At the heart of this course are the well loved Bridge lectures which appear in English for the first time in their wider context Steiner discusses the solid fluid air and warmth bodies and how these are connected with the various ethers the I and human blood He goes on to describe how ideals and ideas impact the various aspects of the human constitution how morality is a source of world creativity with moral thinking imbuing life into substance and will

Moral ideas have a positive effect he says whereas theoretical ones have a negative impact In the realm of the moral a new natural world comes into being and thus the moral order and the natural order are intertwined This volume also features Steiner's classic lecture on the Isis legend and its renewal today as divine wisdom Sophia Other themes include the mystery of Christ as the connection between the spiritual and physical sun the permeation of the life of thought with will love and permeation of the life of will with thoughts wisdom the path to freedom and love and their importance in the universe the metamorphosis of head and limbs through successive lives on earth the threefold nature of the human form head thorax limbs the threefold nature of the soul thinking feeling will and the threefold nature of the spirit waking dreaming sleeping

Elijah Come Again Robert A. Powell, 2009-03 12 lectures various cities November 19 1922 August 30 1924 CW 304a The Waldorf school movement was gaining increasing recognition by the time these public lectures on Waldorf education took place In this collection as in the previous volume Rudolf Steiner is outspoken about the spiritual nature of human beings and the world including the spiritual nature of Waldorf education Original German source Anthroposophische Menschenkunde und Pädagogik GA 304a *The Language of the Consciousness Soul* Carl Unger, 2012-06 We're trying to get to the castle of the Wise Enchanter Michael said It's very difficult But you have found your way to the Enchanted Islands said the hermit That is the first step and that is good I can't tell you which way to go since I have no idea You see very few people have ever reached the castle itself and no one has been there since I have been here but I can tell you one thing if you keep going straight through the forest it will end At the end there are two paths One path is the Right Way The other is the Left Way One of these paths is the true way and will take you where you need to go but you can only know which is which once you have gone along the way of your choice for some time What if the Right way is the wrong way or the Left way is the right way Lauren asked It sounds confusing Yes yes of course it does But once you've done it everything will be perfectly clear Words are disappearing from the world Something is lurking in the deepest waters devouring all the words that are no longer used No one has noticed but the world is slowly growing darker For many years no children have come to the Enchanted Islands in search of Wisdom and the Wise Enchanter is growing old Four children from the corners of the earth have been sent on a quest to rediscover each letter unlock the treasure of language and thereby grow wise Time is running out if the children do not reach the castle of the Wise Enchanter in time Wisdom and light may vanish from the world altogether

The Reappearance of Christ in the Etheric Rudolf Steiner, 2022-03-01 Since the coming of Gautama Buddha Eastern mystics have spoken especially about a future condition when earth will be bathed in a moral etheric atmosphere Ever since the time of the ancient rishis they had hoped that this moral impulse would come to earth from Vishva Karman or from Ahura Mazda as Zarathustra proclaimed Eastern mysticism foresaw that this moral atmosphere would come to earth from the being we call the Christ Eastern mystics had set their hopes on the being of Christ Rudolf Steiner p 125 The first chapter of the Acts of the Apostles describes Christ's Ascension and a cloud received him out of their sight As the disciples were looking up

two angels appeared and said the same Jesus taken up from you into heaven shall come again in the same way as you have seen him go Starting in 1910 Rudolf Steiner initiated a series of lectures announcing the advent of Christ's appearance in the sphere of the earth's etheric or life body This he said would begin between 1930 and 1940 but at first only a few people would be aware of it In time more and more people regardless of their religious affiliation would be infused by Christ's living presence Such Damascus experiences bespeaking a new natural clairvoyance Steiner said would become increasingly common The Christ will become a living comforter Though it may seem strange now it is nevertheless true that even large numbers of people sitting together and wondering what to do will see the etheric Christ He will be there and confer with them he will cast his word into their gathering We are approaching these times when this positive constructive element will take hold of human evolution Rudolf Steiner p 122 The lectures collected here on the second coming of Christ also contain significant related issues such as spiritual science and etheric vision the etheric vision of the future the Sermon on the Mount and the land of Shambhala the etherization of the blood the mysteries of comets and the moon Buddhism and Pauline Christianity and the three realms between death and rebirth
