(Note the Battle of Chancellorsville is mentioned at the end of chapter 7 but we won't read about it until chapter 10.)

Chapter Eight

War News

At the opening of this chapter, the _____ was doing very well. But by the fifth paragraph, the _____ army had scored some significant victories.

Hope

Hope is another theme of this book that might be a little harder to define. It is mentioned at different times in different ways. Jethro had shared the hope in the early part of the chapter that the battles the North had won would lead to the end of the war. Then things changed again. Note this statement:

*and for the rest of the war there was always a fear within him that
disappointment and disaster inevitably followed hope.*

Do you think disappointment always follows hope? Do you think that is how it would feel during war time? Be on the look out for other references to hope in the story.

Neighorly Help

Twenty families came to:

- a) Get revenge on the trouble makers
- b) Rebuild the Creighton's barn
- c) Join the army

Burdow

Jethro learned from Mr. Milton that since the night of the attack on Jethro's carriage, Dave Burdow was :

- a) Being treated better by neighbors
- b) Angry and bitter at the Creightons
- c) Planning to move away

General McClellan

Jethro also heard his neighbors complaining about the general in charge of the Northern army: McClellan. Why was he disliked?

- a) He was hesitant to fight.
- b) He was careless and sent his soldiers into numerous battles with lots of loss of life.
- c) He fought with the President and Congress.
