Ascent To Heaven In Islamic And Jewish Mysticism:

Ascent to Heaven in Islamic and Jewish Mysticism Algis Uždavinys, 2011-08 In this groundbreaking work of comparative religion Algis Uzdavinys takes us deeply into the closed and blessed gardens of myth showing us the capital importance of the many varieties of ascent to heaven From the Pyramid Texts down to Second Temple Judaism and apocalyptic Christian literature and in parallel down the theurgic path of Platonic and Hermetic literature to the sanctum of the Islamic revelation in Mecca we are vividly presented with the sacramental impact of anagoge elevation to the domain of the supernal archetypes and heavenly principles As with other books by the author the face of antiquity is revealed anew full of intriguing challenging and enraptured insights

The Esoteric in Religious and Spiritual Traditions Patrick Laude, 2025-06-28 This book offers a comparative examination of the esoteric dimension across diverse religions including Buddhism Christianity Hinduism and Islam It seeks to answer the question of whether the concept of the esoteric can be applied across traditions and explores intersections convergences and differences in its use and presence therein The book provides new avenues for research by moving beyond the study of Western esotericism and examining how the category of the esoteric can be applied in the contexts of Abrahamic faiths and Asian traditions The book is organized into six centers of reflection including the esoteric dialectics of hiding and revealing the claim of esoteric traditions to restore wholeness and provide a comprehensive understanding of reality the character of immediacy and directness the intrinsic esoteric distinction between two truths and the non dualistic leanings of esoteric schools in terms of the unity of reality and the subjective immanence of an all embracing Divine Selfhood Overall the book provides a comprehensive phenomenology of the esoteric in religions It will be of interest to researchers and students of theology and religious studies

Cosmopolitanism and the Middle Ages J. Ganim, S. Legassie, 2013-03-20 This collection of essays uncovers a wide array of medieval writings on cosmopolitan ethics and politics writings generally ignored or glossed over in contemporary discourse Medieval literary fictions and travel accounts provide us with rich contextualizations of the complexities and contradictions of cosmopolitan thought

Orpheus and the Roots of Platonism Algis Uždavinys, 2011 A book on the religious mystic origins and substance of philosophy This is a critical survey of ancient and modern sources and of scholarly works dealing with Orpheus and everything related to this major figure of ancient Greek myth religion and philosophy Here poetic madness meets religious initiation and Platonic philosophy This book contains fascinating insights into the usually downplaid relations between Egyptian initiation Greek mysteries and Plato's philosophy and followers right into Hellenistic Neoplatonic and Hermetic developments

Chasing Immortality in World Religions Deborah M. Coulter-Harris, 2016-08-12 Humans have been chasing immortality since the beginning of history seeking answers to sickness and aging death and the afterlife and questioning the human condition Analyzing ideas from ancient Sumer Egypt Greece and India as well as the Abrahamic religions of Judaism Christianity and Islam this study explores how early religious models influenced later beliefs about immortality the afterlife the human soul

resurrection and reward and punishment The author highlights shared teachings among the most influential religions and philosophies concluding that humankind has not substantially changed its conceptions of immortality in 6 000 years This continuity of belief may be due to chromosomal memory and cultural inheritance or may represent a fundamental way of conceptualizing the afterlife to cope with mortality Instructors considering this book for use in a course may request an examination copy here Union with God in Christ Matthew Friedman,2017-10-26 A significant number of Muslim communities throughout the world reflect varying degrees of involvement in Islamic mysticism What bridges are present in this context that will facilitate not only evangelism but also discipleship and community formation Matthew Friedman guides the reader on a journey examining the response of the early Christian community to the challenges of ancient Jewish and Hellenic mysticism focusing on the central idea of union with God in Christ Far from finding this to be a leftover from the early Church he discovers that this theme remained crucial into the Reformation particularly in the writing and work of eighteenth century figures John and Charles Wesley Join Friedman as he explores resources for discipleship and community building that will be relevant to both scholars and practitioners alike and will be effective for witness within modern contexts of Islamic mysticism worldwide **The Art of Mystical Narrative** Eitan P. Fishbane,2018 In the study of Judaism the Zohar has captivated the minds of interpreters for over seven centuries and continues to entrance readers in the modern day Yet despite these centuries of study very little attention has been devoted to the literary dimensions of the text The Art of Mystical Narrative argues that the Zohar story must be understood first and foremost as a work of the fictional imagination

Islam Cenap Çakmak,2017-05-18 This expansive four volume encyclopedia presents a broad introduction to Islam that enables learning about the fundamental role of Islam in world history and promotes greater respect for cultural diversity One of the most popular and widespread religions in the world Islam has attracted a great deal of attention in recent times particularly in the Western world With the ongoing tensions in the Middle East and a pervasive sense of hostility toward Arab Americans there is ever increasing need to examine and understand Islam as a religion and historical force Islam A Worldwide Encyclopedia provides some 700 entries on Islam written by expert contributors that cover the religion from the birth of Islam to the present time The set also includes 16 pages of color images per volume that serve to illustrate the diverse expressions of this important religious tradition Each entry begins with a basic introduction followed by a general discussion of the subject and a conclusion Each entry also features a further readings list for readers In addition to supplying a comprehensive authoritative overview of Islam this work also specifically addresses many controversial related issues including jihad violence in Islam polygamy and apostasy *Louis Massignon* Patrick Laude,2011 In depth exploration of the life and thought of Louis Massignon 1883 1962 a very influential French Islamic scholar and Christian mystic This is a translation of an original French by an expert on Massignon s life and works revised and augmented **Sacred Royalty** Jean Hani,2011 This book takes the reader on an intellectually and spiritually rewarding journey from the pharaoh to the

most Christian king In his study of sacred royalty Jean Hani explores a wide range of traditional societies and demonstrates how royalty insofar as it maintained its sacral character integrated society into the cosmic order Through this integration regal authority traditionally served as a reflection of the heavenly order whatever be the particular character of the revealed tradition within which that authority functions Book cover
