Australias Hot Rod Heritage:

Australia's Hot Rod Heritage Larry O'Toole,2004-07-30 A pictorial history of Australia s early hot rodding days from the albums of rodders who were part of the scene Chapters cover the Early Hot Rods on the Street and in the Shows Early Drag Racing and Australia s Custom Cars A follow up title to the enormously successful History of Australian Street Rodding by the same author *The Routledge Companion to Automobile Heritage, Culture, and Preservation* Barry L. Stiefel,Jennifer Clark,2019-12-06 The Routledge Companion to Automobile Heritage Culture and Preservation explores automotive heritage its place in society and the ways we might preserve and conserve it Drawing on contributions from academics and practitioners around the world and comprising six sections this volume carries the heritage discourse forward by exploring the complex and sometimes intricate place of automobiles within society Taken as a whole this book helps to shape how we think about automobile heritage and considers how that heritage explores a range of cultural intellectual emotional and material elements well outside of the automobile body itself Most importantly perhaps it questions how we might better acknowledge the importance of automotive heritage now and in the future The Routledge Companion to Automobile Heritage Culture and Preservation is unique in that it juxtaposes theory with practice academic approaches with practical experience and recognizes that issues of preservation and conservation belong in a broad context As such this volume should be essential reading for both academics and practitioners with an interest in automobiles cultural heritage and preservation

Automobile Heritage and Tourism Michael V. Conlin, Lee Jolliffe,2016-12-01 Automobile heritage encompasses a complex range of artefacts and activities Beyond just historic vehicles which are the primary artefacts of this niche it also includes communities of collectors and enthusiasts private owners and public institutions as well as historic motoring environments literally thousands of museums exhibitions and car shows throughout the world and a range of paraphernalia that includes both original and replicated promotional materials equipment and parts and guide books Although automobile heritage has been the subject of some limited research Automobile Heritage and Tourism is unique in examining its scope and role within tourism The book looks at a vast array of topics from the experience of using and collecting old cars related destination development automobile heritage and museums to events such as vintage automobile racing promotion and social change It thereby provides a thorough review of the impacts of automobile heritage on tourism A number of theories provide a framework and are analysed throughout including those related to the collection display exhibition and use of historic automobiles The title takes a global and interdisciplinary view of the subject with international contributions from both established and emerging scholars in the field This book adds to the industrial heritage tourism literature and will appeal to a diverse audience in particular those in the fields of cultural heritage and industrial heritage tourism but also practitioners involved with the planning restoration exhibition and management of automobile heritage attractions and events **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **High Performance** Robert C.
