Mike Jess

Authoritarians And Democrats Authoritarians And Democrats:

Authoritarians and Democrats James M. Malloy, Mitchell A. Seligson, By the end of the 1960s most of Latin America was under repressive military rule Conversely the 1980s have seen the emergence of formal constitutional democracies in Latin America and the Caribbean *Authoritarians and Democrats* describes these changes and the future prospects for constitutional government in Latin America

Democrats, Authoritarians and the Bologna Process Judith

Marquand, 2018-04-06 This book sets the extraordinary phenomenon of The Bologna Process in its historical and political context Four contrasting country case studies Germany Russia England Wales illustrate some of the varying responses adopted when faced with a similar framework

Democratic Decay and Authoritarian Resurgence Natasha

Lindstaedt, 2021-05-28 Why do democracies fall apart and what can be done about it This book introduces students to the concept and causes of democratic decay in the modern world Illustrating the integral link between public commitment to democratic norms and the maintenance of healthy democracies it examines the key factors in decaying democracies including Economic inequality Corruption Populist and authoritarian discourse Declining belief in political institutions and processes Drawing on real world developments and including international case studies the book outlines the extent to which there is a democratic recession in contemporary politics and shows how transnational networks and technology are impacting on this development

Authoritarian Origins of Democratic Party Systems in Africa Rachel Beatty Riedl, 2014-02-13 This book investigates why seemingly similar African countries developed very different forms of democratic party systems

Political Participation and Democratic Capability in Authoritarian States Lien Pham, Ance Kaleja, 2021-02-22 This book provides an innovative theoretical and empirical exploration of the political participation and democratic capability of people living in authoritarian states Merging perspectives from sociology and political science the book demonstrates that despite autocratic restrictions on opposition there is often still leeway for people to express themselves as political agents and to develop democratic capability The first two chapters problematise political participation and develop an interdisciplinary three domain framework that allows for critical engagement with and appreciation of the contexts and varied ways in which participatory activities occur This framework is applied to analyse six country case studies Singapore Jordan Belarus Cuba Nigeria and Vietnam Drawing on a range of data sources and different analytical entry points the book investigates the substantive opportunities people have in exercising political agency and the implications for democratic capability The book concludes by summarising the emergent themes and examining the potential of applying this method of inquiry in other political contexts Encompassing both governmental and societal practices the book offers insights into state society relations and their role in constructing political values and goals for participation which people negotiate and mediate to inform their choices modes and forms of civic engagement These insights present a broad approach towards the study of participation with relevance for understanding political participation in various societies

under non democratic and democratic rule alike This book will be useful for researchers and students interested in political dynamics and intersections with economic cultural and social aspects of development It will also be beneficial for practitioners interested in participatory actions and social change

Democratic Institutions and Authoritarian Rule in Southeast Europe Danijela Dolenec, 2017-05-19 Josip Broz Tito s saying that one should not hold on to the law like a drunken man holds on to a fence remains a valid piece of popular wisdom today encapsulating the problem of weak rule of law in Southeast European societies This book poses the question of why democratisation in Southeast Europe disappointed initial expectations and claims that it is caused by the dominance of authoritarian parties over regime change Their rule established nondemocratic governance practices that continue to subvert rule of law principles more than twenty years after the collapse of communism The unique contribution of this book is in providing empirical evidence for the argument that post socialist transformation proceeded in a double movement whereby advances to formal democratic institutions were subverted through nondemocratic rule This misfit helps explain why improvements to formal democratic institutions did not result in expected democratisation advances

Democratic Changes and Authoritarian Reactions in Russia, Ukraine, Belarus and Moldova Karen Dawisha, Bruce Parrott, 1997-06-13 Edited by two of the world s leading analysts of postcommunist politics this 1997 book brings together distinguished specialists on the former communist countries of Russia and the Western Newly Independent States Chapters on Belarus Moldova and Ukraine plus three chapters on Russia s regional politics its political parties and the overall process of democratization provide an in depth analysis of the uneven pattern of political change in these four countries Karen Dawisha and Bruce Parrott contribute theoretical and comparative chapters on postcommunist political development across the region This book will provide students and scholars with detailed analysis by leading authorities plus research data on political and economic developments in each country

Democratic and Authoritarian Political Systems in 21st Century World Society Anna L. Ahlers, Damien Krichewsky, Evelyn Moser, Rudolf Stichweh, 2021-03-05 This book is about the radical novelty of modern polities in a functionally differentiated world society Premodern states were at the apex of a stratified hierarchical society They dominated society and all its groups and strata Modern polities have to be understood through the ecology of relations among different function systems They have to find and incessantly redefine their place in society They produce decisions that are collectively binding but in preparing these decisions experience constraints and knowledge deficiencies that are related to the complexity of a functionally differentiated society The book concentrates on six analytical perspectives that reflect how modern polities are embedded into 21st century society These perspectives are the concept of inclusion and the inclusion revolution constitutive of modern polities the internal differentiation of polities that endows them with an unprecedented complexity the fact that polities do not know anything about society and the ways in which they compensate for this representation and responsiveness as strategies to reconnect with society the self restriction of some polities that

brings about ever new autonomous expert organizations the symmetrical rise of autocracies and democracies as the two modern variants of political regimes Lessons of Defiance: How Democratic Values Confront Authoritarian Threats, Preserve Political Dignity, and Provide a Framework for Resilience in Crisis Tess Wakefield, 2025-09-08 The crises of our present echo the shadows of the past In the turbulence of the 1930s democratic societies faced the rise of authoritarianism the erosion of civil liberties and the collapse of political dignity Today as democracies confront renewed pressures the lessons of that era are more vital than ever Lessons of Defiance offers a professional deeply researched exploration of how historical memory shapes modern responses to political crisis Through comparative analysis it reveals how citizens leaders and institutions resisted authoritarian impulses then and how those strategies can inform democratic resilience now Designed for academics professionals and policymakers this book provides a clear framework for understanding both the fragility and the strength of democracy in moments of upheaval It is a timely guide for anyone committed to preserving dignity liberty and the rule of law in the twenty first century **Problems of Democratic Transition and Consolidation** Juan J. Linz, Alfred Stepan, 1996-08-16 5 Actors and contexts

Thank you definitely much for downloading **Authoritarians And Democrats Authoritarians And Democrats**. Maybe you have knowledge that, people have seen numerous times for their favorite books taking into consideration this Authoritarians And Democrats Authoritarians And Democrats, but end up in harmful downloads.

Rather than enjoying a fine book in imitation of a mug of coffee in the afternoon, instead they juggled in the same way as some harmful virus inside their computer. **Authoritarians And Democrats Authoritarians And Democrats** is user-friendly in our digital library; an online access to it is set as public in view of that you can download it instantly. Our digital library saves in multiple countries, allowing you to acquire the most less latency time to download any of our books as soon as this one. Merely said, the Authoritarians And Democrats Authoritarians And Democrats is universally compatible behind any devices to read.
