Between Two Worlds The Challenge Of Preaching Today:

The Moody Handbook of Preaching John Koessler, 2008-05-01 Unnatural Supernatural A gift Hard work Exhilarating Terrifying These words only begin to describe the challenge and reward each pastor experiences A rich resource The Moody Handbook of Preaching encompasses the philosophy formation and delivery of preaching Whether you re a seminary student or a seasoned pastor this book will prove invaluable in your call by God to preach [A Legacy of Preaching: Two-Volume Set---Apostles to the Present Day](#) Zondervan, 2018-12-11 A Legacy of Preaching Two Volume Set Apostles to the Present Day explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing these preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the Puritans and profiles thirty preachers including Origen of Alexandria by Stephen O Presley John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca John Huss by Mark A Howell Martin Luther by Robert Kolb John Calvin by Anthony N S Lane Jonathan Edwards by Gerald R McDermott John Wesley by Michael Pasquarello III George Whitefield by Bill Curtis and Timothy McKnight and many more Volume Two covers the period from the Enlightenment to the present day and profiles thirty one preachers including Catherine Booth by Roger J Green Charles Haddon Spurgeon by Thomas J Nettles Henry Ward Beecher by Michael Duduit John Albert Broadus by Hershael W York D L Moody by Gregg L Quiggle Billy Sunday by Kristopher K Barnett Karl Barth by William H Willimon Dietrich Bonhoeffer by Keith W Clements D Martyn Lloyd Jones by Carl Trueman John Stott by Greg R Scharf Harry Emerson Fosdick by Dwayne Milioni Aimee Semple McPherson by Aaron Friesen Gardner C Taylor by Alfonza W Fulwood and Robert Smith Jr Billy Graham by John N Akers Martin Luther King Jr by Alfonza W Fulwood Dennis R McDonald and Anil Sook Deo J I Packer by Leland Ryken and Benjamin Hernandez and many more **Preaching the Manifold Grace of God, Volume 2** Ronald J. Allen, 2022-07-05 Preaching the Manifold Grace of God is a two volume work describing theologies of preaching from the historical and contemporary periods Volume 1 focuses on historical theological families Orthodox Roman Catholic Lutheran Reformed Anabaptist Anglican

Episcopal Wesleyan Baptist African American Stone Campbell Friends and Pentecostal Volume 2 focuses on families that are evangelical liberal neo orthodox postliberal existential radical orthodox deconstructionist Black liberation womanist Latinx liberation Mujerista Asian American Asian American feminist LGBTQAI Indigenous postcolonial and process In each case the author describes the circumstances in which the theological family emerged describes the purposes and characteristics of preaching from that perspective and assesses the strengths and limitations of the approach **Preaching Must Die!** Jacob D. Myers, 2017-10-18 The real question for homiletics in our increasingly postmodern post Christian contexts is not how we are going to prevent preaching from dying but how we are going to help it die a good death Preaching was not made to live At most preaching is a witness a sign a crimson X marking a demolition site The church has developed sophisticated technologies in modernity to give preaching the semblance of life belying the truth preaching was born under a death sentence It was born to die Only when preaching embraces its own death is it able to live This book then is a bold homiletical manifesto against preaching in support of preaching and beyond preaching to the entire worship experience It troubles modern homiletical theologies in light of the trouble always already at work within preaching Hereby it supports a way of preaching and teaching preaching that moves counter to the wisdom of this world It aims to joins in God s self revealed counterlogic of superabundance that saturates and thereby breaks open worldly systems of thought and practice The purpose of this book is to expose preaching to its own death to help it embrace its death so that it can discover what eternal and abundant life might look and feels like **Expository Preaching in Africa** Ezekiel A. Ajibade, 2021-06-30 How can expository preaching rooted in a textual analysis of Scripture be effectively utilized in oral cultures In Expository Preaching in Africa Ezekiel A Ajibade engages this challenge directly offering practical techniques for integrating African oral elements such as myths proverbs folklore dance drama poetry and storytelling into preaching that is both biblical and African Alongside numerous examples and tools Ajibade provides a rich overview of the nature of orality the history and development of African preaching and the reason biblical exposition must be central to gospel proclamation He reminds us that it is the word of God incarnated among us that has the power to transform lives and revitalize nations Contextualized expository preaching is not therefore one technique to be utilized among many it is rather the heart of biblical teaching and the future of the African church While contributing significantly to studies in contextualization and homiletics this book is immediately applicable to practitioners especially African preachers and those working in oral contexts **From and Before God** Sugel Michelén, 2019-11-05 Imagine this scene You are standing in the pulpit of your church preaching on a Sunday morning Without your knowledge the Lord Jesus himself is sitting in the last row listening attentively to what you re saying How would this reality impact your preaching The truth is that this is no mere illustration the Lord is present in His churches every Sunday listening to the preaching of His Word The apostle Paul wrote in 2 Corinthians 2 17 that ministers are to preach as from God and before God Those who preach God s Word are commissioned by God to preach and they do their

preaching before God for an audience of one This according to Sugel Michel n is the biblical foundation for expository preaching preaching that draws out what is in the Word of God In this work Michel n regarded as one of the best preachers in the Spanish speaking church makes a biblical case for expository preaching and models for readers how to prepare and preach as from and before God *Themelios, Volume 47, Issue 1* D. Glanville, 2025-03-11 As perceptions about pastors change and doubt increases post Christian generations find themselves looking less for a charismatic authority figure and more for healthy leaders Scholar and pastor Mark Glanville provides a fresh look into the art of crafting sermons for both new and experienced pastors seeking to preach in sustainable and resonant ways [Sydney's One Special Evangelist](#) Baden P. Stace, 2022-08-04 This landmark work is the first academic study of a figure who played a defining role in the Australian evangelical movement of the late twentieth century the inimitable preacher evangelist and churchman John C Chapman The study situates Chapman s career within the secularizing Western cultures of the post 1960s a period bringing momentous changes to the social and religious fabric of Western society At the same time global Evangelicalism was reviving bringing vitality to large swathes in the Global South and a re balancing in Western societies as conservative religious movements experienced growth and even renewal amidst wider secularizing trends Against this backdrop the study explores the way in which across a wide array of domestic and international fora Chapman contended for the soteriological priority of the gospel in Christian life mission and thought Accomplished via an absorbing blend of personal wit impassioned oratory innovative missiological strategy and striking theological perception the result was a stimulating history of public advocacy that sought

a revival of confidence in Evangelicalism's message and a constantly reforming vision of Evangelicalism's method. Such a legacy marks Chapman as a central figure within the generation of postwar leaders whose work has given Australian Evangelicalism its contemporary shape and dynamism.

Resolutions of a Pastor Michael E. Pohlman, 2025-03-12

With the promise of numerical growth, pastors are annually bombarded with new leadership techniques and paradigms for ministry. Many of these are influenced more by secular business philosophy, pragmatic thinking, and homespun advice than the Bible. The church is left spiritually impoverished and ill equipped to face the challenges of secularization for want of a biblical theological vision for ministry. This book fills a gap in the literature by being exegetically vigorous and obviously informed by biblical, historical, and systematic theology. The result is a robust work of pastoral theology able to meet the ministry challenges of the twenty-first century. There is no more important institution in the world than the church. And the best way to strengthen the church is to strengthen her shepherds. This is the aim of *The Resolutions of a Pastor*.
