Bewilderments Reflections On The Of Numbers:

Bewilderments Avivah Gottlieb Zornberg, 2017-09-05 Through the magnificent literary scholarly and psychological analysis of the text that is her trademark Avivah Gottlieb Zornberg tackles the enduring puzzlement of the book of Numbers What should have been for the Israelites a brief journey from Mount Sinai to the Holy Land becomes a forty year death march Both before and after the devastating report of the Spies the narrative centers on the people's desire to return to slavery in Egypt At its heart are speeches of complaint and lament But in the narrative of the book of Numbers that is found in mystical and Hasidic sources the generation of the wilderness emerges as one of extraordinary spiritual experience fed on miracles and nurtured directly by God a generation of ecstatic faith human partners in an unprecedented conversation with the Deity Drawing on kabbalistic sources the Hasidic commentators depict a people who transcend prudent considerations in order to follow God into the wilderness where their spiritual yearning comes to full expression Is there a way to integrate this narrative of dark murmurings of obsessive fantasies of a return to Egypt with the celebration of a love intoxicated wilderness discourse What effect does the cumulative trauma of slavery the miracles of Exodus and the revelation at Sinai have on a nation that is beginning to speak In *Bewilderments* one of our most admired biblical commentators suggests fascinating answers to these questions Paulist Biblical Commentary, The Aguilar Chiu, José Enrique, Clifford, Richard J. SJ, Dempsey, Carol J. OP, Schuller, Eileen M. OSU, Stegman, Thomas D., SJ, Witherup, Ronald D., PSS, 2018 The Paulist Biblical Commentary PBC is a one volume commentary on the books of the Bible designed for a wide variety of Bible readers especially those engaged in pastoral ministry The volume consists of a commentary on each of the seventy three books of the Catholic canon of the Bible along with twelve general articles While based on classical approaches to Scripture the commentaries and articles are not limited to historical literary issues but draw upon relevant theological and pastoral ideas found in the text The Paulist Biblical Commentary presents Solid exegesis of the biblical text A useful tool for preaching and spiritual nourishment An essential aid to deepen the understanding of Scripture Current biblical research that is relevant to pastoral or spiritual ministry The Commentary brings together the collaboration of more than seventy international biblical scholars each with expertise in their area of study drawn from their experience and interest in pastoral or spiritual ministry

Loving Our Own Bones Julia Watts Belser, 2023-09-12 The essential read on disability spirituality and social justice that won the 2025 Grawemeyer Award in Religion the 2024 National Jewish Book Award and more A transformative spiritual companion and deep dive into disability politics that reimagines disability in the Bible and contemporary culture What's wrong with you Scholar activist and rabbi Julia Watts Belser is all too familiar with this question What's wrong isn't her wheelchair though it's exclusion objectification pity and disdain Our attitudes about disability have such deep cultural roots that we almost forget their sources But open the Bible and disability is everywhere Moses believes his stutter renders him unable to answer God's call Jacob's encounter with an angel leaves him changed not just spiritually but physically he gains a

limp For centuries these stories have been told and retold in ways that treat disability as a metaphor for spiritual incapacity or as a challenge to be overcome Through fresh and unexpected readings of the Bible *Loving Our Own Bones* instead paints a luminous portrait of what it means to be disabled and one of God's beloved Belser delves deep into sacred literature braiding the insights of disabled feminist Black and queer thinkers with her own experiences as a queer disabled Jewish feminist She talks back to biblical commentators who traffic in disability stigma and shame What unfolds is a profound gift of disability wisdom a radical act of spiritual imagination that can guide us all toward a powerful reckoning with each other and with our bodies *Loving Our Own Bones* invites readers to claim the power and promise of spiritual dissent and to nourish their own souls through the revolutionary art of radical self love *Turn It and Turn It for Everything Is in It* Jonathan

Kligler,2020-01-14 The Jewish sages taught that when we study the Torah we should continuously turn it and turn it like a gem with countless facets looking for new and deeper meanings In this volume of essays on each weekly Torah portion Rabbi Jonathan Kligler shares choice insights from his decades of study and teaching Drawing on both ancient and modern sources and weaving scholarship and personal stories Kligler invites the reader to investigate the countless layers of insight and inspiration that vibrant Torah study can provide **The Hidden Order of Intimacy** Avivah Gottlieb Zornberg,2022-03-29 A

masterly analysis of the Book of Leviticus the newest volume in the award winning series of commentaries on the Hebrew Bible by a celebrated biblical scholar keen on weaving together traditional Jewish exegesis psychoanalysis and postmodern criticism The New York Times Book Review The image of the Golden Calf haunts the commentaries that thread through Leviticus This catastrophic episode in which the Israelites freed from Egyptian slavery and forty days after their momentous encounter with God at Mount Sinai worship a pagan idol while Moses is receiving the Torah from God on the mountaintop gives the mostly legalistic text a unique depth and resonance According to midrashic tradition the post traumatic effects of the sin of the Golden Calf linger through the generations the sin to be paid off in small increments through time Post biblical perspectives view this as the diffusion of punishment as well as a way of addressing the on going phenomenon of idolatry itself These after effects of the Golden Calf incident are imaginatively explored in Avivah Zornberg's magnificent textual analysis She brings the rabbis of the Talmud medieval commentators Hasidic scholars philosophers psychoanalysts and literary masters from Aristotle and Rashi to the Baal Shem Tov Franz Rosenzweig Sigmund Freud and George Eliot into her pathbreaking discussion of the nature of reward and punishment good and evil Eros and Thanatos and humankind's intricate and ever fascinating encounter with the divine Sanctification David Birnbaum,Benjamin Blech,2014-01-01 Benjamin

Vatican has now been translated into sixteen languages Understanding Covenants and Communities Mark Diamond, Andrew Reed, 2020-08-01 A joint publication between CCAR Press and Brigham Young University Interfaith dialogues of understanding are valuable both for challenging individuals to articulate their beliefs and practices in a careful way and for deepening connections between people of different faiths The Jewish and Latter day Saint communities have at times been at odds yet they share a number of significant historical and communal bonds Understanding Covenants and Communities comes out of the Jewish Latter day Saint Academic Dialogue Project a groundbreaking interfaith encounter between these two religious communities The fruit of five conferences held semiannually since 2016 the volume addresses such themes as theological foundations sacred scriptures lived experience and worship and culture and politics Readers will emerge with a deeper understanding of the Jewish and Latter day Saint traditions and how the two faith communities can engage in a meaningful dialogue *Numbers 20-36* L. Michael Morales, 2024-11-07 Often overlooked and regularly misunderstood the Book of Numbers is a daunting prospect for scholars preachers and students It covers part of the Israelites wilderness years between Egypt and the land of the promise seemingly very different to and detached from our modern context Yet God's covenant love remains the same and the book of Numbers remains extremely relevant for ecclesiology and for the church's life within the already not yet of the present wilderness era In his magisterial new commentary Morales carefully demonstrates the ongoing relevance of Numbers its positive vision for life and the surprising challenge it offers to contemporary Christians This detailed and comprehensive commentary sheds fresh light on a part of the Bible often referenced yet rarely preached and explained Within this commentary on Numbers 20-36 form and structure sections examine the context source critical and form critical issues and rhetorical devices of each passage Comment sections offer thorough detailed exegesis of the historical and theological meaning of each passage and explanation sections offer a full exposition of the theological message within the framework of biblical theology and a commitment to the inspiration and authority of the Old Testament Volume 2 covers chapters 20-36 and includes Morales rigorous bibliography and extensive indices An annotated Translation of the Hebrew text by L Michael Morales forms the basis for his comments The Apollos Old Testament Commentary aims to take with equal seriousness the divine and human aspects of Scripture It expounds the books of the Old Testament in a scholarly manner accessible to non experts and it shows the relevance of the Old Testament to modern readers Written by an international team of scholars these commentaries are intended to serve the needs of those who preach from the Old Testament as well as scholars and all serious students of the Bible **Life Unsettled** Cory Pechan Driver, 2021-08-10 Increasingly many Christians and spiritual seekers feel they are in a sort of wilderness space where the familiar settled and normal parts of life have become unsettled out of balance More and more people are evaluating their lives and asking Where to now In Life Unsettled Cory Driver uses the metaphor of wilderness journeying a hallmark of the life of faith across the millennia and the study of biblical texts ancient Jewish legends modern

theological insights and his own personal journeys to provide a guide for moving forward when we feel lost and confused The biblical book of Numbers takes center stage in the author s creative musings about life in the wilderness The Hebrew title of Numbers is Bemidbar which means In the Wilderness In this oft overlooked book are stories of God s passionate intimacy and anger communal formation and struggles and personal failures and triumphs The author shows how the wilderness journey in Numbers has a deep relevance for our time and for our personal journeys The book includes a discussion guide ideal for group use

God Spoke Once, I Heard Twice Rabbi Dr. Hillel Goldberg, 2024-12-15 Moving from cosmology to creativity to criminology the Torah explores the breadth of human existence ethics and ritual narratives of Patriarchs and Matriarchs history and a philosophy of history all of these drive the first five books of Hebrew Scripture But as Rabbi Hillel Goldberg explains in this probing and insightful commentary these sacred texts are governed by one idea one God God blesses the human being with power and also imposes limits A human being may not kill not commit any sacrilege not act unjustly God retains ultimate power including the prerogative to make ethical ritual and spiritual laws which fill the Torah The Torah is a kaleidoscope and Rabbi Goldberg refracts it through its fifty four prisms its fifty four chapters But a single reality undergirds all one God Rabbi Goldberg s exploration of the diversity of disciplines in the Torah demonstrates how naturally the idea of monotheism emerges In Genesis God chooses one family to carry out His mission in history The book of Exodus narrates God s liberation of this family s descendants in order to bring His mission to fruition Leviticus details the laws by which God s people serve Him through ethics ritual even agriculture Numbers begins with the metahistory of God s people as He sustains it with manna and guides it with a pillar of fire and a pillar of cloud then resumes the history of His people as it wages war and prepares to conquer the promised land Fearful of idolatry there Moses in Deuteronomy concludes his exhortation to remain faithful to the invisible presence of God Bible commentary according to Rabbi Goldberg should mirror the many ways God enters into the human experience Offering philosophic inquiry personal reflection and fresh exegesis plus a touch of poetry humor and storytelling God Spoke Once I Heard Twice is a brilliant learned and inspired contribution to an ongoing chronicle of faith

Bewilderments Reflections On The Of Numbers Introduction

In the digital age, access to information has become easier than ever before. The ability to download Bewilderments Reflections On The Of Numbers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Bewilderments Reflections On The Of Numbers has opened up a world of possibilities. Downloading Bewilderments Reflections On The Of Numbers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Bewilderments Reflections On The Of Numbers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Bewilderments Reflections On The Of Numbers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Bewilderments Reflections On The Of Numbers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Bewilderments Reflections On The Of Numbers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the

legitimacy of the websites they are downloading from. In conclusion, the ability to download Bewilderments Reflections On The Of Numbers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
