Gendered Politics in the Modern South Keira V. Williams,2012-11-05 In the fall of 1994 Susan Smith a young mother from Union South Carolina reported that an African American male carjacker had kidnapped her two children The news sparked a multi state investigation and evoked nationwide sympathy Nine days later she confessed to drowning the boys in a nearby lake and that sympathy quickly turned to outrage Smith became the topic of thousands of articles news segments and media broadcasts

overshadowing the coverage of midterm elections and the O J Simpson trial The notoriety of her case was more than tabloid fare however her story tapped into a cultural debate about gender and politics at a crucial moment in American history In Gendered Politics in the Modern South Keira V Williams uses the Susan Smith case to analyze the new sexism found in the agenda of the budding neoconservatism movement of the 1990s She notes that in the weeks after Smith s confession soon to be Speaker of the House Newt Gingrich made statements linking Smith s behavior to the 1960s counterculture movement and to Lyndon Johnson s Great Society social welfare programs At the same time various magazines declared the death of feminism and a crisis in masculinity as the assault on liberal social causes gained momentum In response to this perceived crisis Williams argues a distinct code of gender discrimination developed that sought to reassert a traditional form of white male power In addition to consulting a wide variety of sources including letters from Smith written since her incarceration Williams contextualizes the infamous case within the history of gender politics over the last quarter of the twentieth century She reveals how the rhetoric imagery and legal treatment of infanticidal mothers changed and asserts that the latest shift reflects the evolution of a neoconservative politics

Understanding the Borderline Mother Christine Ann Lawson, 2002-07 The first love in our lives is our mother Recognizing her face her voice the meaning of her moods and her facial expressions is crucial to survival Dr Christine Ann Lawson vividly describes how mothers who suffer from borderline personality disorder produce children who may flounder in life even as adults futilely struggling to reach the safety of a parental harbor unable to recognize that their borderline parent lacks a pier or even a discernible shore Four character profiles describe different symptom clusters that include the waif mother the hermit mother the queen mother and the witch Children of borderlines are at risk for developing this complex and devastating personality disorder themselves Dr Lawson s recommendations for prevention include empathic understanding of the borderline mother and early intervention with her children to ground them in reality and counteract the often dangerous effects of living with a make believe mother Some readers may recognize their mothers as well as themselves in this book They will also find specific suggestions for creating healthier relationships Addressing the adult children of borderlines and the therapists who work with them Dr Lawson shows how to care for the waif without rescuing her to attend to the hermit without feeding her fear to love the queen without becoming her subject and to live with the witch without becoming her victim A Jason Aronson Book

Bitch Elizabeth Wurtzel, 1999-05-18 From the author of the bestselling Prozac Nation comes one of the most entertaining feminist manifestos ever written In five brilliant extended essays she links the lives of women as demanding and disparate as Amy Fisher Hillary Clinton Margaux Hemingway and Nicole Brown Simpson Wurtzel gives voice to those women whose lives have been misunderstood who have been dismissed for their beauty their madness their youth Bitch is a brilliant tract on the history of manipulative female behavior By looking at women who derive their power from their sexuality Wurtzel offers a trenchant cultural critique of contemporary gender relations Beginning with Delilah the first woman to supposedly bring a great man

down latter day Delilahs include Yoko Ono Pam Smart Bess Myerson Wurtzel finds many biblical counterparts to the men and women in today s headlines She finds in the story of Amy Fisher the tragic plight of all Lolitas our thirst for their brief and intense flame She connects Hemingway s tragic suicide to those of Sylvia Plath Edie Sedgwick and Marilyn Monroe women whose beauty was an end ultimately in itself Wurtzel writing about the wife mistress dichotomy explains how some women are anointed as wife material while others are relegated to the role of mistress She takes to task the double standard imposed on women the cultural insistence on goodness and society s complete obsession with badness what s a girl to do Let s face it if women were any real threat to male power Gennifer Flowers would be sitting behind the desk of the Oval Office writes Wurtzel and Bill Clinton would be a lounge singer in the Excelsior Hotel in Little Rock Bitch tells a tale both celebratory and cautionary as Wurtzel catalogs some of the most infamous women in history defending their outsize desires describing their exquisite loneliness championing their take no prisoners approach to life and to love Whether writing about Courtney Love Sally Hemings Bathsheba Kimba Wood Sharon Stone Princess Di or waxing eloquent on the hideous success of The Rules the evil that is The Bridges of Madison County the twisted logic of You ll Never Make Love in This Town Again Wurtzel is back with a bitchography that cuts to the core In prose both blistering and brilliant Bitch is a treatise on the nature of desperate sexual manipulation and a triumph of pussy power

Why Mothers Kill Geoffrey R. McKee,2006-03-16

Few crimes generate greater public reaction than those where a mother murders her child We are repelled yet mesmerized by the emerging details of cases such as Andrea Yates and Susan Smith Annually hundreds of infants and young children perish at the hands of their mothers How could a mother destroy the first and most fundamental relationship we experience In **Why Mothers Kill** A Forensic Psychologist s Casebook Geoffrey R McKee Ph D uses more than a dozen case studies from his 29 year forensic psychological evaluation practice to help us and most importantly prevent these horrific events from occurring He applies current research findings to analyze explain and suggest practical interventions to alter the personal familial and situational circumstances that may influence some mothers to kill With an emphasis on prevention Dr McKee sets out specific strategies that might have been employed at various risk intervention points occurring before the child s death Through the use of extended narratives the author brings to life the thoughts and emotions experienced by women in each of the five categories of mothers he has identified from his years of practice Additionally the author presents the Maternal Filicide Risk Matrix which he developed to help mental health and medical professionals determine the risk and protective factors that lead mothers to kill their children Students as well as mental health and medical professionals will find this an important and unique resource
