Beyond The Myths The Journey To Adulthood:

Beyond the Myths Daniel Bagby, 2007 Author and professor Daniel Bagby's latest book *Beyond The Myths The Journey To Adulthood* addresses some of the unique challenges confronting today's emerging young adult. Exploring that gray area between adolescence and adulthood, the book identifies their unique struggles in regard to personal identity, sexuality, intimacy, vocation, personal choice, and spiritual definition. The book further explores pastoral care options for would-be adults as they experience the challenges of confusing options, unclear identities, dysfunctional family messages, vocational choices, and spiritual winters on their way to full adulthood. **The Church Leader's Counseling Resource Book** Cynthia Franklin Ph.D., Rowena Fong, 2011-02-01 This all-in-one guide is designed to better equip clergy and the church leaders to meet their congregations' needs in a spiritually grounded and scientifically sound manner. Succinct, easy-to-read chapters summarize all a pastor needs to know about a given problem area, including its signs or symptoms, questions to ask, effective helping skills, and most importantly, when to refer to a mental health professional. Synthesizing what research says about treatment approaches for mental health issues, this user-friendly reference is filled with guidelines, case scenarios, key points to remember, resources for further help, advice on integrating scripture and theology with the best available research, and tips on partnering with others to provide the best possible care for each church member. Each chapter is designed for quick lookup by problem area, empowering church leaders to understand and help meet the challenges facing the children, adults, families, and communities that they serve. **The Publishers Weekly**, 2007 American Book Publishing Record, 2007
