The End of the Experiment Stanley Rothman,2017-09-08 The End of the Experiment ties together Stanley Rothman's theory of post industrialism and his four decades of research on American politics and society Rothman discusses the rise and fall of the New Left the sixties impact on America's cultural elites and the emergence of new post industrial humanistic values The first part of this book explains how cultural shifts in post industrial society increased the influence of intellectuals and redefined America's core values The second part examines how the shift in American social and cultural values led to a crisis of confidence in the American experiment And in a final section Rothman's contemporaries provide insight into his work reflecting on his continued influence and his devotion to traditional liberalism Rothman presents a quantitative study of personality differences between traditional American elites and new cultural elites Rothman argues that the experiment of America as a new nation rooted in democracy morality and civic virtue is being destroyed by a disaffected intellectual class opposed to traditional values *Political Perspectives on the Muslim World* Asaf Hussain,1984-08-23 This study is designed to serve as an introduction to the political situation of the Muslim World and to bridge the gap between theoretical and descriptive studies **Mainstream Traditions Of Social Stratification Theory** Rajendra Pandey,1989 **The Palgrave Handbook of Political Elites** Heinrich Best,John Higley,2017-11-08 This handbook presents a comprehensive view of the

current theory and research surrounding political elites which is now a pivotal subject for academic study and public discourse In 40 chapters by leading scholars it displays the field s richness and diversity The handbook is organized in six sections each introduced by a co editor focusing on theories about political elites methods for studying them their main structural and behavioral patterns worldwide the differentiation and integration of political elite sectors elite attributes and resources and the dilemmas of political elites in this century Forty years since Robert Putnam s landmark *Comparative Study of Political Elites* this handbook is an indispensable resource for scholars and students engaged in the study of this vibrant field

Inequality Lisa A. Keister, Darby E. Southgate, 2022-01-06 *Inequality A Contemporary Approach to Race Class and Gender* offers a comprehensive introduction to the topics animating current sociological research focused on inequality Contemporary engaging and research oriented it is the ideal text to help undergraduate students master the basic concepts in inequality research and gain a deeper understanding of the ways in which race class and gender interact with systems of social stratification Following an introduction to theories and research methods used in the field the authors apply these concepts to areas that define inequality research including social mobility education gender race and culture The authors include up to date quantitative evidence throughout The text concludes by examining policies that have facilitated inequality and reviewing the social movements that in turn seek to reshape those structures Though primarily focused on the United States it includes a chapter on stratification across the globe and draws on cross national comparisons throughout

American Elites Robert Lerner, Althea K. Nagai, Stanley Rothman, 1996-01-01 Their study compares the backgrounds ideological differences and predominant personality characteristics of members of the different elite groups and reveals that leadership groups in the U S are sharply divided in complex ways on various issues
