Leading Beyond the Walls 21293 Adam Hamilton, 2010-09-01 Good pastoral leadership is not a by the numbers proposition It is a matter of heart and soul of devoting the whole self to the vision God gives for the congregation in which one serves Yet neither is it purely intuitive it requires hard careful thinking about the directions and details of the path down which God calls When Adam Hamilton became pastor of the United Methodist Church of the Resurrection its membership consisted of himself and his family Ten years later the church averages between five and six thousand worshipers per weekend Throughout this remarkable period Hamilton learned many serious lessons about both the broad visions and the specific details of pastoral leadership Bringing a depth of analytical skills often lacking in visionary leaders in this book he goes beyond simply telling the story of Church of the Resurrection He shares the questions that he learned to ask about the largely unchurched population to which Church of the Resurrection has reached out Further he demonstrates what he learned by listening to the answers to these questions and how doing so has made possible a number of strategically crucial decisions the church has made One of those crucial decisions was to make more traditional forms of worship and praise the center of the congregation's life The result is that the example of Church of the Resurrection offers pastors and church leaders especially those in mainline denominations the realization that they need not completely change their liturgical and theological identity in order to reach out to the unchurched Drawing on his own experience as well as the detailed research on the characteristics of highly successful congregations he undertook during a sabbatical leave Hamilton offers pastors and other church leaders solid substantive thinking on steps that congregations can take to become centers of vibrant outreach and mission Also available in Adobe Ebook 9780687026753 Microsoft Ebook 9780687027491 *The Mainline in Late Modernity* Maren Freudenberg, 2017-12-21 In the last fifty years religion in America has changed dramatically and Mainline Protestantism is following suit This book reveals a fundamental transformation taking place in the Evangelical Lutheran Church in America The ELCA is looking to postdenominational Christianity for inspiration on how to attract people to the pews but is at the same time intent on preserving its confessional liturgical tradition as much as possible in late modernity As American religion grows increasingly experiential and individualistic the ELCA is caught between its church heritage and a highly innovative culture that demands participative structures and a personal relationship with the divine In the midst of this tension the ELCA is deflating its church hierarchy and encouraging people to become involved in congregations on their own terms while it continues to celebrate its confessional liturgical identity But can this balance between individual and institution be upheld in the long run Or will the democratization and pluralization of the faith ultimately undermine the church This book explores how the ELCA attempts to resist the forces of Americanization in late modernity even as it slowly but surely comes to resemble mainstream American religion more and more *Youth Beyond the Developmental Lens* Wesley W. Ellis, 2024 Wesley Ellis exposes the harmful impact of developmental psychology in youth ministry proposing a

theological anthropology that frees us for deeper relationship with young people Propelled by the conviction that we must see youth as beings rather than becomings Ellis reorients us toward relational inclusion and away from rigid developmentalism *Discerning Beyond the Screen* Toya D. **Beyond the Wall** Martin Elbel,2020-09-14T16:54:00+02:00 The wall separating the cloister from the surrounding world is one of the most distinctive features of a monastery it marks out the community of monks or friars and defines the very essence of a cloister However this wall was never completely impenetrable Those inside interacted with those outside in churches in towns and villages or even in the cloisters It is this permeability of the cloister wall what constitutes the central motif of this book Using the example of the Franciscan Friary of St Bernardino in Olomouc nowadays in the Czech Republic it analyses the interaction of the friars and the urban community It focuses on the 17th and 18th centuries when following the suppression of non Catholic confessions Roman Catholicism became the only official religion and the city became one of major ecclesiastical centres in the Habsburg Lands The Franciscans significantly contributed to the formation of the new Catholic confessional culture in the city yet they were just one of the many agents They were forced to constantly re negotiate their position and to compete with other religious institutions The mendicant character of the order eventually proved to be their main advantage Although the life in strict poverty brought many complications it also greatly enhanced the prestige of the friars Simultaneously it motivated them to search for new and efficient ways to address the people Begging for alms thus became one of the main forms of interaction between the friary and the local community allowing the mendicants to extend their reach significantly to emphasise their uniqueness and importance and to patiently build their own network of ties to the local population The story of the friary of St Bernardino in Olomouc demonstrates that early modern Roman Catholicism was not built unilaterally from the top down but was instead the result of synergy and even conflicts between many actors *Beyond the Wall* Elizabeth Pond,2010-12-01 *Beyond the Wall* is the first book in either English or

German to tell the whole story of the extraordinary revolution that demolished the Berlin Wall ended the Cold war and tore apart the Soviet regime Elizabeth Pond former Moscow and European correspondent for the Christian Science Monitor was an eyewitness to the dramatic events of 1989 92 and to the fifteen years of relations between Germany and Eastern Europe leading up to them Pond weaves together in riveting prose the strands of events that are usually recounted separately Rather than looking just at the East German revolt or the process of unification that created a new nation she traces the interaction of these events and their diplomatic consequences for Europe Pond shows the political economic and social forces at work leading up to the unification during the transition process and in the aftermath Looking at the European framework she explains how significantly the European Community and its move toward integration both affected and were affected by German unification The book contains a wealth of new information from hundreds of interviews with top German and American policymakers East German Politburo members and average German citizens It also incorporates up to date research on such topics as the Stasi secret police and the midlife crisis of the German left Pond concludes with an assessment of the roles of the United States and a unified Germany in the new Europe Calling for a continued partnership between the United States and Germany who have come through a common baptism of fire since the fall of the Berlin Wall Pond casts an optimistic eye toward the future

*The Innovation Crisis* Ted Esler, 2021-08-03 If you aren t innovating stagnation isn t far away Ministry leaders carry the burden of keeping their organizations lean focused and relevant The stakes are especially high for churches and other organizations that fulfill the Great Commission When souls are on the line there s no room for bureaucratic bloat or sustaining a cumbersome infrastructure It s up to the leadership that s you to realize where the organization is in maintenance mode and find ways to innovate even when the growth curve has slowed and the team has started to grow complacent Using missions disruptor William Carey as an example Ted Esler shows how you too can innovate in ways that change the ministry landscape Esler will help you keep an eye on your eccliosystem the ecclesial ecosystem in which you exist You ll learn about the four stages of organizational culture disrupting innovating sustaining and stagnating and gain strategies for staying in that sweet spot where innovations keep coming and stagnation can t take hold The gospel of Jesus Christ never grows stale Don t let your ministry ever forget it

*Not Safe for Church* Dr. F. Douglas Powe

JR.,Jasmine Smothers,2015-01-06 Congregations say they want to reach new and younger people many of whom are simply turned off by church The big idea is that congregations must be willing to embrace radical ways to connect with new generations Re thinking old assumptions is a starting place but more is needed To really connect congregations have to move beyond and start doing new things that are out of their comfort zones These authors give ten ways to help you move from just saying what you intend to actually doing it This book provides tools to help churches re frame the Good News in non traditional ways and study questions for church leadership teams      *Stakes Is High* Michael W. Waters,2017-02-07 What happens when a people can take no more injustice rained down upon their sons and daughters When each new travesty echoes the cries of ancestors killed for the color of their skin How do a people rediscover hope And how do they use that new found hope as momentum and strength for change In his powerful new book *Stakes Is High* pastor activist and community leader Michael W Waters blends hip hop lyricism and social justice leadership creating an urgent voice demanding that America listen to the suffering if it hopes to redeem its soul Weaving stories from centuries of persecution against the backdrop of today s urban prophets on the radio and in the streets Waters speaks on behalf of an awakened generation raging against racism yet fueled by the promise of a just future Through the pain and hard but holy work you will hear the call to join the faithful struggle for racial justice
