

ACCOUNTING 2

Accounting Functions

- I. Accounting helps an organization to achieve its goals and objectives by gathering, organizing, and communicating information about its activities.
 - A. Two distinct accounting disciplines: Financial accounting and managerial accounting.
 - B. Accounting 2 focus: Managerial accounting.
 1. **Financial accounting**
 - (a) Concerned with the preparation of financial statements for decision makers and stakeholders such as stockholders, suppliers, creditors and banks, employees, government agencies, and customers.
 - (1) Suppliers provide products and services.
 - (2) Creditors and banks provide loans, leasing, and other services.
 - (3) Employees provide time and effort.
 - (4) Governments provide permission to operate, municipal services, regulation, and protection.
 - (5) Customers provide cash.
 2. **Managerial accounting**
 - (a) Concerned with providing accounting information to managers within organizations, allowing them to manage, make decisions, and perform control functions.
 - (b) Concerned with providing strategic information, supporting performance management, and risk management.
 - (1) **Strategic management:** The management accountant is a strategic partner in the organization.
 - (2) **Performance management:** The management accountant is a partner in developing the practice of business decision making and managing the performance of the organization.
 - (3) **Risk management:** The management accountant contributes to frameworks and practices for identifying, measuring, managing, and reporting risks to the accomplishment of organizational objectives.
 - II. An accounting system uses three types of activities.
 - A. Screen keeping to accumulate and classify data.
 - B. Attention directing to focus on problems and opportunities.
 - C. Problem solving to recommend the best course of action.
 - III. Accounting system design is guided by themes.
 - A. Cost/benefit criteria.
 1. The benefits of information should outweigh the cost to generate and distribute the information.
 2. Weighing costs against benefits is done in all decisions.
 - B. Behavioral implications: effects on the manager's decision making.
 - IV. Accounting's position in the organization can be both line and staff.
 - A. **Line authority:** Downward over subordinates.
 - B. **Staff authority:** Downward, laterally, or upward.
 - C. **Controller:**
 1. Top accounting officer in an organization; measures and reports on operating performance.
 2. Responsible for accounting records, internal controls, preparation of financials, tax returns, and internal reports.
 - V. Accountants are expected to adhere to standards of ethical conduct.
 - A. American Institute of Certified Public Accountants (AICPA): CPAs must adhere to professional ethical standards (www.aicpa.org).
 - B. Institute of Management Accountants: CMAs must adhere to ethical standards (www.imanet.org).
 1. Ethical standards of Institute of Management Accountants:
 - (a) Competence – maintain professional competence through professional development activities.
 - (b) Confidentiality – refrain from disclosing confidential information acquired in the course of work.
 - (c) Integrity – avoid conflicts of interest, disclose favorable and unfavorable information, and refrain from activities that would discredit the profession.
 - (d) Credibility – report results fairly and objectively.
 - VI. Sarbanes-Oxley Act 2002 (SOX)
 - A. Law passed by U.S. Congress intended to reduce unethical behavior and strengthen the effectiveness of internal controls.
 1. Internal control is a process designed to provide reasonable assurance regarding the achievement of objectives in the following categories:
 - (a) Effectiveness and efficiency of operations.

Accounting 2 Study Guide 8 Answers Introduction

In today's digital age, the availability of Accounting 2 Study Guide 8 Answers books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Accounting 2 Study Guide 8 Answers books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Accounting 2 Study Guide 8 Answers books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Accounting 2 Study Guide 8 Answers versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Accounting 2 Study Guide 8 Answers books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Accounting 2 Study Guide 8 Answers books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Accounting 2 Study Guide 8 Answers books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Accounting 2 Study Guide 8 Answers books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Accounting 2 Study Guide 8 Answers books and manuals for download and embark on your journey of knowledge?
