Chapter 8

Inventory:

- Items held for sale in the ordinary business or goods to be used in the production of goods to be sold
- These accounts represent cost of goods that companies have on hand as of the measurement date
- The ending inventory from one period becomes the beginning balance of the next period

*All inventory Costs are first recorded in the inventory account and as they get sold the cost gets taken out of inventory (balance sheet) and into cost of goods sold (income statement)

Merchandisers:

- One inventory account
- purchase merchandise in a form ready for sale

Manufacturers:

- three different accounts
 - o Raw materials
 - o Work in progress
 - o Finished Goods
- All get added together for a total inventory account

Income Statement Presentation

Sales Revenue – Cost of Goods Sold = Gross Profit – Operating Expenses = Net Income from Operations

*Cost of Goods sold is the total inventory sold during the period

*Period Costs are costs that are directly connected with bringing the goods to the buyer's place of business or converting raw materials to goods in salable condition

Flow of Costs (Merchandiser):

Beginning Inventory + Cost of Goods Purchased = Cost of Goods Available for Sale – Cost of Goods Sold = Ending Inventory

Perpetual System (Merchandisers)

1. Purchases of merchandise are debited to Inventory
 2. Freight-In is debited to inventory
 3. purchase returns and allowances, as well as purchase discounts are credited to inventory
 4. Subsidiary records show quantity and cost of each type of inventory on hand
- This system provides continuous record of inventory and cost of goods sold—it is expensive to have

Period System (Merchandisers)

1. Beginning of the period, inventory has a beginning balance
2. Purchases of merchandise are debited to a SEPARATE purchase account
 - a. Returns are sent to a SEPARATE returns account
3. When the period ends, ending inventory gets determined by a physical count
4. Cost of Goods Sold gets calculated with a formula

***Beginning inventory + Purchases = Cost of Goods Available for Sale – Ending Inventory = Cost of Goods Sold**

5. The merchandiser makes journal entries to record the calculated Cost of Goods sold into the income statement and reflect the ending inventory from the physical count in the inventory account
- Everything has its own account→ inventory, purchases, shipping, discounts and returns

Accounting Study Guide 8 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Accounting Study Guide 8 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Accounting Study Guide 8 has opened up a world of possibilities. Downloading Accounting Study Guide 8 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Accounting Study Guide 8 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Accounting Study Guide 8. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Accounting Study Guide 8. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Accounting Study Guide 8, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Accounting Study Guide 8 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
