

ENGLISH TEST

45 Minutes—75 Questions

DIRECTIONS: In the five passages that follow, certain words and phrases are underlined and numbered. In the right-hand column, you will find alternatives for the underlined part. In most cases, you are to choose the one that best expresses the idea, makes the statement appropriate for standard written English, or is worded most consistently with the style and tone of the passage as a whole. If you think the original version is best, choose "NO CHANGE." In some cases, you will find in the right-hand column a question about the underlined part. You are to choose the best answer to the question.

You will also find questions about a section of the passage, or about the passage as a whole. These questions do not refer to an underlined portion of the passage, but rather are identified by a number or numbers in a box.

For each question, choose the alternative you consider best and fill in the corresponding oval on your answer document. Read each passage through once before you begin to answer the questions that accompany it. For many of the questions, you must read several sentences beyond the question to determine the answer. Be sure that you have read far enough ahead each time you choose an alternative.

PASSAGE I

Mystery Paper Sculptor

Between March and November of 2011, an anonymous donor left intricately crafted paper sculptures at various cultural institutions in Edinburgh, Scotland.

Delighted, each sculpture was left secretly and was later discovered by staff. The delicate sculptures—streetscapes, plants, and animals—were carved exclusively from the pages and bindings of books. The tiny details in the pieces are awe-inspiring.

The first sculpture discovered—at the Scottish Poetry Library—was a tiny tree formed from a book of verse. Library staff dubbed it the "poetree." The tree sits atop a book. Beneath the tree are the halves of a golden paper egg, each half filled with words clipped from the poem "A Trace of Wings" by Edwin Morgan.

- 1. Which choice most effectively emphasizes the complexity of the paper sculptures?
A. NO CHANGE
B. impressively
C. terrifically
D. superbly
- 2. F. NO CHANGE
G. Each sculpture was left secretly and later discovered by delighted staff.
H. Left secretly and later discovered by staff, each sculpture was delighted.
J. Secretly delighted, each sculpture was discovered by staff.
- 3. A. NO CHANGE
B. specified
C. adorned
D. honored

Cover **ACT Exam Practice Questions** Mometrix College Admissions Test Team, 2015-02-25

ACT Exam Practice Questions are the simplest way to prepare for the ACT test.

Practice is an essential part of preparing for a test and improving a test taker's chance of success.

The best way to practice taking a test is by going through lots of practice test questions.

If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test.

There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices.

Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more or if you're already prepared enough to achieve success on your test day.

If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared.

Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day.

Our ACT Exam Practice Questions give you the opportunity to test your knowledge on a set of questions.

You can know everything that is going to be covered on the test, and it will not do you any good on test day if you have not had a chance to practice.

Repetition is a key to success, and using practice test questions allows you to reinforce your strengths and improve your weaknesses.

Detailed answer explanations are also included for each question.

It may sound obvious, but you have to know which questions you missed and more importantly, why you missed them, to be able to avoid making the same mistakes again when you take the real test.

That's why our ACT Exam Practice Questions include answer keys with detailed answer explanations.

These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
