

A collection of geological field equipment and specimens. In the upper left is a silver-colored compass with a black dial and a white needle. To its right is a black magnifying glass with a black handle. Below the compass is a black cylindrical object, possibly a flashlight or a container. Scattered around these items are several rocks of various colors and textures: dark grey, light grey, brown, and a prominent greenish-blue rock in the foreground. The background is a light brown, textured surface, possibly sand or soil. A solid blue vertical bar is on the right side of the image.
