your ascension path with a variety of tools provided by Horus the Diamond Unicorns the Goddess the Cosmic Whales a variety of Ascended Masters the Planetary Logoi and Sacred Atlantean Cats I am sharing my personal experiences with these beings and the teachings they have brought me The book contains many channeled messages from these beings of light for the reader to facilitate connecting with them Franziska Siragusa has written a very special book full of spiritual information and beautiful inspirational visualisations Just reading it will fill you with light and accelerate your ascension journey I loved it Diana Cooper *A New Light on Ascension* Diana Cooper,2004-01-12 It has been ten years since Kumeka Master of the Eighth Ray introduced himself to Diana Cooper and began to meld his consciousness with hers A Little Light on Ascension presented the information he impressed on Diana at the time but since then much has changed on our planet and Kumeka has recently imparted further information This knowledge previously offered to just a few is now available to millions of lightworkers eager to assist in the task of moving this planet into the light Yes ascending into the higher realms can be achieved in this lifetime We may have to work at it but all the tools and information we need are now available to us thanks to A New Light on Ascension However be prepared this journey is not for the fainthearted Kumeka does not offer a quick fix he invites and encourages each one of us to join the millions on the planet now actively working towards a joyful life of spirit Diana Cooper s A Little Light on Ascension is the book that reminds me why I am here and what it is all about To say I find it an inspiration is an understatement to describe is as my bible would not be an exaggeration Susan Clark The Sunday Times
