The Church Secrets Todd Futhey,2004-09 Traditions run deep and are powerful Futhey offers an interactive in depth study of God s word that is geared toward both the young and old in Christ

LUCIANITY John Byer,2021-03-30 Lucianity the Perverse Religion of Christians is a book about the hidden history of the New Testament where it not only reveals the scripture s mysterious origin but also its very unique and clandestine creation In this book the

reader will learn that Christianity the religion that people sincerely believe and practice today is not the religion of Christ. Instead it is the religion of an overzealous disciple who was able to gain possession of every gospel and almost every epistle in addition to most of the other manuscripts related to early church affairs and then after the death of the apostolic authors edit and rewrite them to reflect his peculiar religious beliefs and philosophy. For instance he conflated Jesus with God and called him Lord. That disciple is identified as Lucius the Bishop of Cyrene who unfortunately never understood the spiritual nature of man, the spiritual resurrection of Christ or the purpose for why God sent Christ on a mission to Earth. As a consequence of ignorance and the lack of understanding by Lucius, man has unknowingly accepted the false and unorthodox beliefs of Lucianity which have been incorporated into the creeds, gospels, epistles and a host of other bible related documents. This newly discovered information was deciphered by a seasoned detective when he deconstructed the 2000 year old biblical scripture line by line and verse by verse. All Christians who number in the billions today will be stunned and perplexed by his findings, especially all the ministers who promote the Bible as the true word of God. Some of it is and some of it isn't. Nevertheless, this book identifies God's true word in Isaiah and Daniel and it even illustrates the exactness and preciseness of His word plus other prophetic scripture by the use of numerous exhibits since the detective believes a picture is worth a 1000 words. Christ flipped over the tables of the money changers signifying the coming end to the desolation that existed in the Jewish Temple. In like manner, the detective has upset an applecart full of false beliefs which will hopefully awaken people to the realization of Lucianity or modern day desolation and usher in the resurrection of true Christianity. Christians will learn the unvarnished truth about their ascribed beliefs for probably the first time in 2000 years and more particularly how they have been bamboozled and conned by a very clever disciple. The Bible is the most sold and most read book in the entire world and yet not a single person in the world has recognized the fact that at least 75% of the scripture in the New Testament is really the prodigious work of a secretive behind the scenes apostolic era Bishop. In his writings, Lucius used ancient manuscripts and even a book by Flavius Josephus to write various gospel chapters, not the spoken words of Jesus. While looking over the Detective's shoulder, the reader will see and learn exactly how he identified all the fraud implanted into the pages of the Bible via easy to understand scriptural analysis and a variety of exhibits. As such, reading the New Testament is generally a waste of time unless one has the persistence, capability and patience to do a thorough time consuming focused multi year forensic exam like the one contained inside the pages of the book Lucianity. No similar criminal investigation of the Bible has ever been completed and no similar book exists. If a person is searching for just the facts regarding their Christian faith, then the Detective assures all seekers of truth that they will know more about the Bible, God, Moses, Isaiah, Daniel and Christ, i.e. the Anointed One of God, after reading Lucianity than they ever will by reading Biblical scripture. And more importantly, if they truly understand the message of Jesus Christ as revealed within the pages of this book, they should also learn something about themselves, no matter their status, rank, position, race or sex, their incarnation is not an

accident of nature but a self chosen deliberate purposeful spiritual event Just like Christ every man woman and child has come to Earth in order to fulfill a spiritual mission not to fulfill a short sighted worldly aspiration for material goods and wealth

CTL Activity Sheet Masters , The Christian Observer ,1822 *Mighty in Word and Deed* Stephen Hultgren,2025-10-14 The second of a two volume work continues the social memory approach of the first volume seeking social frameworks of memory and narrative patterns of social significance that can explain the construction of a gospel as an extended narrative about Jesus including his words and deeds This volume focuses on Elijah and Elisha typology in the gospels these prophets serving as major figures of memory in the construction of gospel narrative It shows how traditions preserved in Mark and Q functioned to raise the question of Jesus s identity vis vis Elijah to offer answers to the question and to locate stories about Jesus on one or more time maps thereby establishing the basis for an extended narrative about Jesus It also demonstrates how extended gospel narrative functioned to integrate memories of Jesus into different frameworks of Christological interpretation

Bloody, Brutal, and Barbaric? William J. Webb,Gordan K. Oeste,2019-12-03 Christians cannot ignore the intersection of religion and violence In our own Scriptures war texts that appear to approve of genocidal killings and war rape raise hard questions about biblical ethics and the character of God Have we missed something in our traditional readings Identifying a spectrum of views on biblical war texts Webb and Oeste pursue a middle path using a hermeneutic of incremental redemptive movement ethics
