Attention-Deficit Hyperactivity Disorder, Fourth Edition Russell A. Barkley, 2014-10-17 This edition strives to extract from the mine of available scientific literature those nuggets of clinically important information regarding the nature, assessment, diagnosis, and management of attention deficit hyperactivity disorder in children, adolescents, and adults. The revised and expanded fourth edition of this user-friendly workbook provides a master set of the assessment and treatment forms, questionnaires, and handouts. Formatted for easy photocopying, many of these materials are available from no other source. Featured are interview forms and rating scales for use with parents, teachers, and adult clients; helpful checklists and fact sheets; daily school report cards for monitoring academic progress; and more.

Clinical Assessment of Child and Adolescent Personality and Behavior Paul J. Frick, Christopher T. Barry, Randy W. Kamphaus, 2020-06-11 The fourth edition of this textbook offers a scientific and practical context within which to understand and conduct clinical assessments of children's and adolescents' personality and behavior. The new edition ensures that the content is relevant to diagnostic criteria for major forms of child and adolescent psychopathology in the 5th edition of the *Diagnostic and Statistical Manual of Mental Disorders DSM-5*. It provides updated information on specific tests and discusses advances in research that have occurred since the last edition that are relevant for assessing the most common forms of psychopathology shown by children and adolescents. The volume is unique in providing both the scientific and ethical basis to guide psychological testing as well as providing practical advice for using specific tests and assessing specific forms of psychopathology. This new edition highlights how current trends in psychological classification such as the *DSM-5* and the *Research Domain Criteria* should influence the clinical assessment of children and adolescents. Provides updates to professional standards that should guide test users. Discusses practical
