For Better Relations with Our Latin American Neighbors Robert Bacon,1916 For Better Relations With Our Latin American Neighbors Fellow in Development Economics Robert Bacon,Robert Bacon,2015-07-12 Excerpt from For Better Relations With Our Latin American Neighbors A Journey to South America No small part of the work of the Division of Intercourse and Education of the Carnegie Endowment for International Peace is done through the medium of international visits by representative men Experience has already confirmed the reasonable assumption that such visits are useful and in high degree helpful in building up a spirit of international friendship and in developing international understanding A careful reading of Mr Robert Bacon s Report of the details of his trip to South America in the summer and autumn of 1913 will show precisely how such visits as his contribute to the peace and good order of the world National ideals and national policies are carefully and sympathetically explained not only to leading personalities in the countries visited but also to large and representative audiences of teachers merchants and men of affairs The newspaper press is almost uniformly interested and helpful on occasions of this kind and the visitor of distinction and of public service at home is made cordially and warmly welcome It is in high degree important to multiply such visits on the part of representative men in the various American republics The barrier of language will be broken down or surmounted as a knowledge of English becomes more widespread in the South American countries and as the ability to read to speak and to write Spanish increases in the United States Bonds of a common interest in finance and in commerce are already being forged between the peoples of the several American republics These bonds will be followed and strengthened by others in due time There will thus be developed a genuine American public opinion and a genuine American understanding and point of view that will be common alike to the people of the United States and to those of the other republics to the south In order that Mr Bacon s Report may most effectively accomplish its purpose it is now published in two editions an English edition for circulation among English speaking people and a Spanish and Portuguese edition for circulation in Latin America About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works For Better Relations with Our Latin American Neighbors Robert Bacon,1916 **For Better Relations with Our Latin American Neighbors** R.
