are dropping out of sports at an alarming rate despite having more opportunities than ever before More than that mainstream media coverage of women s sports has declined over the last twenty years and currently accounts for less than 5 percent of the total Is it possible that there s a connection between these dispiriting statistics Is it possible that young girls would have a better chance of staying in sports if they could actually see the older equivalent of themselves more often With Strong and Free Lyndsay Doyle believes we have the power to change their lifestyle trajectories through photographs Here is inspiration for Canadian female athletes coaches and officials in one collection assembled in the hopes of expanding media coverage of female sports and encouraging young girls to enroll and stay involved These photographs capture sporting women in all walks of life all ages all body types from beginners to Olympians These women share common traits that often transcend sports determination perseverance dedication patience and responsibility for showing young girls how sport can

benefit them Strong and Free gives these incredible role models for young girls a powerful voice Our girls are watching us Our nieces cousins sisters neighbours daughters If we don t show them what they re capable of who will Chambers's Journal ,1904 The Sportswoman ,1924 *The Sportswoman* Constance M. K. Applebee,1924 Female Gladiators Sarah K. Fields,2010-10-01 *Female Gladiators* is the first book to examine legal and social battles over the right of women to participate with men in contact sports The impetus to begin legal proceedings was the 1972 enactment of Title IX which prohibited discrimination in educational settings but it was the Equal Protection Clause of the U S Constitution and the equal rights amendments of state constitutions that ultimately opened doors Despite court rulings however many in American society resisted and continue to resist allowing girls in dugouts and other spaces traditionally defined as male territories Inspired women and girls began to demand access to the contact sports which society had previously deemed too strenuous or violent for them to play When the leagues continued to bar girls simply because they were not boys the girls went to court Sarah K Fields s *Female Gladiators* is the only book to examine the legal and social battles over gender and contact sport that continue to rage today *Girlness* Diane Peters,2017-01-01 It s hard enough being a girl on the brink of puberty without dealing with a barrage of mixed messages about femininity From self image to peer pressure consumerism to feminism girls have a lot to grapple with This volume looks at issues relating to gender identity and how girls can cope with the conflicts that arise when we question what it means to be female **The Gopher** ,1925
