Between Father And Son Family Letters:

Between Father and Son V. S. Naipaul, 2018-08-21 In 1950 after winning a scholarship from the government of Trinidad V S Naipaul aged seventeen left home for the first time Following a two week journey by steamer he arrived in Oxford England a world utterly removed from the one he had longed to escape and to which he would never really return This extraordinary collection of letters gives us as nothing published previously has an intimate view of Naipaul s formative years It is a story of family members oceans apart clinging to one another against the sadness of dislocation and isolation The young Naipaul desperate not for a degree but to become a writer and make his way in the world His beloved sister Kamla anxious and bewildered away at school in India And his melancholy but loving father whose own broken dream of succeeding as a writer would be realized in the singular achievement of his son With the satisfactions of a novel *Between Father and Son* portrays a deeply affecting family drama even as it bears witness to the flowering of one of the great literary geniuses of the century Letters Between a Father and Son Vidiadhar Surajprasad Naipaul, Seepersad Naipaul, Gillon R. Aitken, 1999

Naipaul, 2026-09-10 In 1950 V S Naipaul travelled from Trinidad to England to take up a place at Oxford University Over the next few years letters passed back and forth between Naipaul and his family particularly his beloved father Seepersad but also his mother and siblings The result is a fascinating chronicle of Naipaul s time at university the love of writing that he shared with his father and their mutual nurturing of literary ambition the triumphs and depressions of Oxford life and the travails of his family back at home *Letters Between a Father and Son* is an engrossing collection continuing into the early years of V S Naipaul s literary career touching time and again on the craft of writing and revealing the relationships and experiences that formed and influenced one of the greatest and most enigmatic literary figures of our age Rare and precious if any modern writer was going to breathe a last gasp into the epistolary tradition it was always likely to be V S Naipaul *New Statesman* Now part of the Picador Collection a series showcasing the very best of modern literature Family Business Allen Ginsberg, Louis Ginsberg, 2002-09-07 A touching look into the heart and family of one of America s greatest poets As a literary portrait of a father and son little can match the eloquence and honesty of this collection of letters written between Allen Ginsberg and his father Louis spanning the years 1944 to 1976 Their correspondence is filled with affection respect and a healthy dose of argumentative zeal they debate every major political and artistic issue that faced America in over three decades of extraordinary change But the letters also tell of a strong bond of intimacy and affection between the two revealing just how crucial that closeness was to the development of Allen Ginsberg s art *Letters Between a Father and Son* V.
