Between Heaven And Earth Prayers And Reflections That Celebrate An Intimate God:

Between Heaven and Earth Ken Gire,1997 With this brilliant array of soulful and reverential prayers colored with thoughtful reflection on prayer Ken Gire presents a direct path to the ultimate goal of every believer a meaningful life affirming communion with God These prayers reflect the heartfelt expression of those who approach God with faithful expectation those with an unwavering desire to be closer to God **Everything Starts from Prayer** Mother Teresa,2023-12-21 Mother Teresa's collected writings offer inspiration and guidance for all spiritual seekers This book's contents and title say it all Mother Teresa is a role model for each of us Pray we may become as she was and heal the world by using prayer to lead us on the path to spirituality and God Bernie Siegel M D St Teresa of Calcutta the woman we all knew as Mother Teresa was a devout Catholic nun deeply devoted to Jesus She expressed her ceaseless devotion in many ways central among them her well known work with the poor and the sick Her lesser known expressions of faith included her deep respect for all religions and her burning wish for all people to grow closer to God With a longing to reach as many souls as possible she wrote I've always said we should help a Hindu become a better Hindu a Muslim become a better Muslim a Catholic become a better Catholic This carefully arranged collection of Mother Teresa's writings promises to both inspire and guide all people from any or no faith tradition who are seeking to find and walk a spiritual path **A Book of Prayers for Daily Conversation with God and Prayers for Special Occasions** George M. Plasterer,2023-12-14 Part of our life of prayer can be a conversation with God This book will help the reader broaden and deepen that conversation allowing that conversation to touch every area of life After an introduction that explores various facets of a life of prayer the book offers five months of prayers that model a conversation with God concluding with prayers for the seasons of the year and other special occasions *Life as We Would Want It . . . Life as We Are Given It* Ken Gire,2007-01-07 The terrain of Colorado forms a metaphor for life as acclaimed writer Ken Gire reflects upon the smooth even terrain of eastern Colorado in contrast to the wild uncertain jagged terrain of western Colorado The majestic awe inspiring mountains of western Colorado were born out of the most terrifying eruptions And that is the unrelenting work of heaven to make everything beautiful in its time All of us would like life to be smooth with no upheavals But the fact is that our lives are anything but Our lives are full of upheaval for that is life as we are given it Gire looks at the beauty that is the result of these upheavals *Hellfire and Destruction* Paul Marston,2023-12-13 To those of us who believe in the inspiration and authority of the Bible it must surely be a concern to know what it says will happen to the millions around us some of whom we love dearly who die without repentance or faith Does Scripture teach that at the last judgment those who remain unrepentant will be consigned to an unending existence of torment without hope Is that truly what Jesus and his apostles believed and taught This book presents basic evidence that what they really taught was that the final judgmental end for such people will be destruction taking its obvious meaning that they will cease to exist as conscious individuals The arguments are not complex because most of the

New Testament writers make plain statements to this effect The book also looks at those parables and Revelation passages sometimes taken to indicate unending torment It links with academic works that in increasing numbers are making the same points but the book is not a contribution to academic scholarship Rather it is a careful readable and accessible account to challenge pastors church leaders and Christians generally to consider what the Bible actually says rather than rely on tradition

Winter's Promise Ken Gire,2014-02-01 If you are coping with loss experiencing confusion and doubt or simply feeling overwhelmed these beautifully formed devotions will ignite the hope that God is with you in even the winter seasons of life Winter is a time of waiting a time of questioning Yet a promise lies buried beneath the snow a seed waiting to spring to life These brief meditations will touch the hidden places of your heart comfort your spirit and renew your strength through the open invitation to deeper reflection and more attentive listening to God s still small voice Author Ken Gire illustrates how God is with you yesterday today and forever

Running on Empty Fil Anderson,2009-06-10 Learn to live with God instead of for God In this candid and achingly authentic book Fil Anderson shares the healing insights that restored his spiritual compass and guided him back to God the God who specializes in filling empty souls Fil Anderson had accomplished more for God than most of his contemporaries but his worn out body housed an empty soul His frenetic pace of ministry had earned him just one thing greater pressure to do even more He had fallen for the soul killing lie that doing more for God would give his life meaning Then the godly admonition of a spiritual director set this burned out believer on a life saving spiritual path Sometimes the only way to get a new life is by running your old one completely into the ground This powerful story of a reawakened soul can be the story of every person who has pursued spiritual productivity over intimacy with God and come up empty It s the story of reclaiming your soul and finding a home in the center of God s relentless love It s the journey from self importance to God importance To the harried and the unharried I pray that this book will minister to your heart in the profound way that it has blessed mine Brennan Manning
