Between Empire And Alliance America And Europe During The Cold War:

Between Empire and Alliance Marc Trachtenberg, 2003 Written by scholars from both sides of the Atlantic the work discusses the role European dependence on American support played in the history of European unification **The Cold War and After** Marc Trachtenberg, 2012-03-12 A new way of looking at international relations from a leading expert in the field What makes for war or for a stable international system Are there general principles that should govern foreign policy In *The Cold War and After* Marc Trachtenberg a leading historian of international relations explores how historical work can throw light on these questions The essays in this book deal with specific problems with such matters as nuclear strategy and U S European relations But Trachtenberg's main goal is to show how in practice a certain type of scholarly work can be done He demonstrates how in studying international politics the conceptual and empirical sides of the analysis can be made to connect with each other and how historical theoretical and even policy issues can be tied together in an intellectually respectable way These essays address a wide variety of topics from theoretical and policy issues such as the question of preventive war and the problem of international order to more historical subjects for example American policy on Eastern Europe in 1945 and Franco American relations during the Nixon Pompidou period But in each case the aim is to show how a theoretical perspective can be brought to bear on the analysis of historical issues and how historical analysis can shed light on basic conceptual problems **The Cold War** Jeremy Black, 2015-10-29 The term the Cold War has had many meanings and interpretations since it was originally coined and has been used to analyse everything from comics to pro natalist policies and science fiction to gender politics This range has great value but also poses problems notably by diluting the focus on war of a certain type and by exacerbating a lack of precision in definition and analysis *The Cold War A Military History* is the first survey of the period to focus on the diplomatic and military confrontation and conflict Jeremy Black begins his overview in 1917 and covers the long Cold War from the 7th November Revolution to the ongoing repercussions and reverberations of the conflict today The book is forward looking as well as retrospective not least in encouraging us to reflect on how much the character of the present world owes to the Cold War The result is a detailed survey that will be invaluable to students and scholars of military and international history *The United States and the European Right, 1945-1955* Deborah Kisatsky, 2005 Nazi Germany's defeat in May 1945 commenced a decade long allied effort to democratize the former Reich The United States simultaneously began sheltering scientists industrialists and military officers complicit in Nazi crimes What explained this conflict between the spirit and practice of denazification Did U S Cold War anticommunism simply replace antifascism in the postwar period Did Americans favor rightists over leftists in a quest to restore order in Europe In this groundbreaking study Deborah Kisatsky shows that opportunity not order galvanized U S foreign policy and that American dealings with the European Right were more complex than has been presumed U S leaders cooperated with West German Chancellor Konrad Adenauer to achieve shared Atlanticist goals And the United States co-opted nationalistic fighters

into a secret stay behind net of the Bund Deutscher Jugend Technischer Dienst But allied leaders jointly worked to contain such vocal neutralist nationalists as the ex Nazi Otto Strasser Cooperation co optation and containment of French and Italian as of German rightists advanced American hegemony in Europe These strategies extended techniques of social control perfected within the United States and synthesized domestic and international systems of power in the twentieth century

BOOK JACKET American Force Richard K. Betts,2013-09-01 While American national security policy has grown more interventionist since the Cold War Washington has also hoped to shape the world on the cheap Misled by the stunning success against Iraq in 1991 administrations of both parties have pursued ambitious aims with limited force committing the country s military frequently yet often hesitantly with inconsistent justification These ventures have produced strategic confusion unplanned entanglements and indecisive results This collection of essays by Richard K Betts a leading international politics scholar investigates the use of American force since the end of the Cold War suggesting guidelines for making it more selective and successful Betts brings his extensive knowledge of twentieth century American diplomatic and military history to bear on the full range of theory and practice in national security surveying the Cold War roots of recent initiatives and arguing that U S policy has always been more unilateral than liberal theorists claim He exposes mistakes made by humanitarian interventions and peace operations reviews the issues raised by terrorism and the use of modern nuclear biological and cyber weapons evaluates the case for preventive war which almost always proves wrong weighs the lessons learned from campaigns in Iraq Afghanistan and Vietnam assesses the rise of China and the resurgence of Russia quells concerns about civil military relations exposes anomalies within recent defense budgets and confronts the practical barriers to effective strategy Betts ultimately argues for greater caution and restraint while encouraging more decisive action when force is required and he recommends a more dispassionate assessment of national security interests even in the face of global instability and unfamiliar threats

Eurafrica Peo Hansen,Stefan Jonsson,2014-10-23 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com In order to think theoretically about our global age it is important to understand how the global has been conceived historically Eurafica was an intellectual endeavor and political project that from the 1920s saw Europe s future survival its continued role in history as completely bound up with Europe s successful merger with Africa In its time the concept of Eurafica was tremendously influential in the process of European integration Today the project is largely forgotten yet the idea continues to influence EU policy towards its African partner The book will recover a critical conception of the nexus between Europe and Africa a relationship of significance across the humanities and social sciences In assessing this historical concept the authors shed light on the process of European integration African decolonization and the current conflictual relationship between Europe and Africa

The USA and The World 2022-2023 David M. Keithly,2022-08-15 The World Today Series USA and The World describes not only what happened but puts events in the context of the past and criticizes policy actions

as appropriate The result goes deeper than most of what appears in current publications Updated annually and part of the renowned World Today Series USA and the World presents an unusually penetrating look into America and its relationship to the rest of the world The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 17th edition the content is thorough yet perfect for a one semester introductory course or general library reference Thinking History Globally Diego Olstein,2014-11-04 The book brings together many recent trends in writing history under a common framework thinking history globally By thinking history globally the book explains applies and exemplifies the four basic strategies of analysis the big C s comparing connecting conceptualizing and contextualizing using twelve different branches of history 'I Made Mistakes' Aurélie Basha i Novosejt,2019-03-14 Speaking to an advisor in 1966 about America s escalation of forces in Vietnam Secretary of Defense Robert S McNamara confessed We ve made mistakes in Vietnam I ve made mistakes But the mistakes I made are not the ones they say I made In I Made Mistakes Aur lie Basha i Novosejt provides a fresh and controversial examination of Secretary of Defense Robert S McNamara s decisions during the Vietnam War Although McNamara is remembered as the architect of the Vietnam War Novosejt draws on new sources including the diaries of his advisor and confidant John T McNaughton to reveal a man who resisted the war more than most As Secretary of Defense he did not want the costs of the war associated with a new international commitment in Vietnam but he sacrificed these misgivings to instead become the public face of the war out of a sense of loyalty to the President *US Foreign Policy since 1945* Alan Dobson,Alan P. Dobson,Steve Marsh,2007-01-24 *US Foreign Policy since 1945* is an essential introduction to postwar US foreign policy It combines chronologic and thematic chapters to provide an historical account of US policy and to explore key questions about its design control and effects New features of this second edition include expanded coverage of the Cold War new chapters on the post Cold War era a chronology and a new conclusion that draws together key themes and looks to the future Covering topics from American foreign policy making US power and democratic control through to Cold War debates economic warfare WMDs and the war on terrorism *US Foreign Policy since 1945* is the ideal introduction to the topic for students of politics and international relations

Downloading Between Empire And Alliance America And Europe During The Cold War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Between Empire And Alliance America And Europe During The Cold War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Between Empire And Alliance America And Europe During The Cold War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Between Empire And Alliance America And Europe During The Cold War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Between Empire And Alliance America And Europe During The Cold War, users should also consider the

potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Between Empire And Alliance America And Europe During The Cold War has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
