Between Places Where Night Falls:

The Nightfall Duology Mickey Zucker Reichert, 2018-04-03 Legendary thief lethal assassin powerful sorcerer this epic fantasy duology follows the adventures of the elusive man known as Nightfall as he struggles between his criminal past and his present obligation to protect the King Darkness comes where Nightfall goes He has been known by countless names and terrifying deeds throughout the lands of mankind thief magic wielder swordsman assassin adventurer But chief among those names and perhaps the most dangerous of his personae is that of Nightfall a man or perhaps the legendary demon himself gifted with unique powers which any sorcerer would kill to possess Yet though Nightfall has always escaped his pursuers by moving on to new realms new identities and new enterprises even the cleverest of beings must occasionally slip And when this master of the night finally falls prey to a royal trap he finds the consequences beyond even his ability to evade Bound by sorcery and oath to guard and guide a young prince on his quest Nightfall will need every trick and talent at his command to keep both himself and his idealistic young charge from death at the hands of unknown betrayers **Night Fall** Simon R. Green, 2018-06-12 From the New York Times bestselling author of Moonbreaker comes the epic final Secret Histories adventure where the Droids will take on the most unexpected of enemies the inhabitants of the Nightside The Droids are all about control making people do what they're told for the greater good The Nightside is all about choice good and bad and everything in between The Droids want to make the world behave The Nightside wants to party They were never going to get along For centuries ancient Pacts have kept the Droids out of the Nightside but now the Droids see the Nightside as a threat to the whole world They march into the long night in their armour to put it under their control All too soon the two sides are at war It's Eddie Droid and Molly Metcalf against John Taylor and Shotgun Suzie The Droid Sarjeant at Arms and their Armourer against Dead Boy and Razor Eddie More groups join in the London Knights the Ghost Finders the Spawn of Frankenstein Shadows Fall and the Soulhunters Science and magic are running wild there's blood running in the gutters and the bodies are piling up Is anyone going to get out of this alive **Night Falls on Damascus** Frederick Highland, 2006-12-12 A crime of passion brings on a harrowing criminal investigation in a divided land Set in the exotic and turbulent world of Syria in the 1930s Night Falls on Damascus tells the story of a French Syrian police inspector Nikolai Faroun caught up in a complex murder investigation of a beautiful and controversial woman from a prominent Damascus family Vera Tamiri made enemies for her good works as well as her cosmopolitanism On one hand was she was a social reformer who had tried to advance the health and welfare of Arab women in a volatile community hemmed in by custom and hostile to social change However Vera had a shadowy side she cultivated a Bohemian pose gambled recklessly and was not always wise in her choice of companions and lovers Faroun suspects that she may have fallen victim to a gruesome crime of passion However he soon realizes that there is more to this crime than a jealous lover In a country chafing under foreign rule and divided by sectarian strife Vera Tamiri made a tempting political target In a city seething with anger and revolt Inspector

Faroun begins unraveling a conspiracy from Syria's troubled past a secret that Vera may have uncovered at the cost of her life As the elements of a sinister and elusive crime bubble to the surface Faroun must be careful not to bring to light secrets of his own the real reason for his presence in Damascus and a compromising relationship with the beautiful and willful wife of a well connected French businessman All games in the end must be played against the dark backdrop of a city that has been the center of Middle Eastern intrigue for millennia the stony ground where Cain slew Abel where Saladin once ruled and where Nikolai Faroun must discover the key to the murder of a courageous woman who dared to disturb the ancient order A gripping murder mystery *Night Falls on Damascus* richly evokes a time and place where the deadly conflict between modernism and tradition in the Middle East first came into play *Praise for Ghost Eaters* A swashbuckling seafaring novel with mystical overtones *Publishers Weekly* An exciting smoothly written naval adventure set in Malaysia during 1875 *Touching on the politics of war the power of superstition and the fragility of civilization this is exhilarating escapist fare Booklist* The book is peopled with rich enigmatic characters whose pasts are shrouded in mystery and whose motives are close held secrets Jim Nelson author of the *Revolution at Sea* series *Glorious shades of Joseph Conrad but with wry humor Splendidly written and an intriguing adventure mystery in the grand old style Dewey Lambdin* author of the *Alan Lewrie* series *Unashamedly and convincingly Conradian in its subject matter and scope and in the raw and elemental language of its telling this is the work of a devoted and accomplished storyteller and of a gifted writer and craftsman for whom the completed tale is considerably more than the sum of its parts Robert Edric* author of *The Broken Lands*

Nightfalls in Texas Thomas Posey, 2001-07 *Nightfalls in Texas* is a moving saga of life and love of loss and redemption of trails taken and trails not taken It is also a lyrical touching humorous and sometimes poetic portrayal of growing up on the vast West Texas plains *Nightfalls in Texas* is a story complete with all of the trials the tribulations and the cruel twists of fate that we all face in our shared experiences Mr Posey has captured the very essence of what life in a small west Texas Hamlet is like *The Great Gatsby* meets *Giant* meets *The Last Picture Show* He has infused his book with colorful and uniquely textured characters The starry eyed bubbas small town beauties craggy land barons gridiron warriors town crazies sage old soreheads genteel debutantes marauding desperadoes and other various and sundry characters *Nightfalls in Texas* is also a story of shattered dreams and a boy's journey into the promise land and of another man's lifelong search for a second chance that may never come Finally you are left with the remnants of a bittersweet story and a haunting ballad that will leave a searing resonance on your heart and the sound of a distant clap of thunder on your soul

As Night Falls Avner Wishnitzer, 2021-07-01 In a world that is constantly awake illuminated and exposed there is much to gain from looking into the darkness of times past This fascinating and vivid picture of nocturnal life in Middle Eastern cities shows that the night in the eighteenth century Ottoman Empire created unique conditions for economic criminal political devotional and leisurely pursuits that were hardly possible during the day Offering the possibility of livelihood and brotherhood pleasure and refuge the darkness allowed confiding hiding and

conspiring activities which had far reaching consequences on Ottoman state and society in the early modern period Instead of dismissing the night as merely a dark corridor between days *As Night Falls* demonstrates how fundamental these nocturnal hours have been in shaping the major social cultural and political processes in the early modern Middle East
