Beyond Death Flora Slosson Wuellner, 2014-03-31 **Beyond Death** Flora Slosson Wuellner, 2014-03-01 What awaits us after death Flora Wuellner brings her deep wisdom and a lifetime of study reflection observation and spiritual direction to shed light on what Jesus revealed about eternal life Her writing offers hope and comfort to those who might be troubled by mixed messages about the afterlife from church or who are simply wounded from misunderstandings on the subject Each chapter opens with a quotation from Jesus and develops the implications of those words and closes with a guided meditation

Beyond Death Gary R. Habermas, J. P. Moreland, 2004-01-29 Death and what lies beyond is not something you consider every day But the thought of it raises some intriguing questions Are there good reasons for believing in life after death What is the afterlife like How valid are the reports of near death experiences Do heaven and hell exist And if so how can hell be reconciled with a loving God By sharing the very latest scientific philosophical anthropological ethical and theological evidence on life after death noted Christian scholars Habermas and Moreland present a strong case for immortality with this book They begin by taking up the question of whether life after death is real and what evidence supports its reality They then explore what the afterlife is like and go on to show how having this reality in your future should affect the way you live here and now This book will reassure you that there s no need to fear death as long as you re prepared eternity that follows It s also a great aid in developing a serious biblical rational and even scientific defense for the belief in life beyond the grave

Answers to Life's Problems Billy Graham, 1994-01-15 Imagine being able to sit down with Billy Graham and ask him for advice In response to thousands of letters Billy Graham offers guidance and answers

to the most often asked questions about every aspect of life including relationships ethics psychological problems and spirituality The Evolution of Faith Thomas R. McFaul, Al Brunsting, 2021-07-21 A new understanding is developed in this book about the relationship between the Christian faith modern science and the world religions The authors call their new position Evolutionary Pluralism By combining the Christian faith with modern science and the global growth of religious diversity Evolutionary Pluralism provides Christians with an alternative to current interpretations such as Young Earth Creationism Old Earth Creationism Intelligent Design Creationism and Evolutionary Creationism This new understanding stands solidly within the history and traditions of the Christian faith and builds on the life and ministry of Jesus Christ

Ghosties And Ghoulies And Long-Legged Beasties And Things That Go Bump In The Night Don Post, 2004-11 In matters of faith we generally accept what parents Sunday school teachers friends or ministers tell us That was certainly the story of my youth and early years in the ministry Given the fact that such matters are non scientific and un testable by traditional scientific means and that there is a wide range of Christian beliefs it is perfectly understandable that people are either puzzled or uninterested when trying to make sense of it all Ghosties Ghoulies peels away the extraneous ideological debris that encumbers so much Christian thought in order to more clearly reveal the historic God man Mystery Undoubtedly some will find a few of their taken for granted Christian views challenged We all need to pull up our theological ideas by the roots from time to time and rethink them Much of our contemporary Christian beliefs are hand me downs from medieval lore and superstition A Christological thread seeks to tie Ghosties Ghoulies together Minimally I hope my thoughts and observations will make one s study of Christianity easier Heaven, Paradise is Real, Hope Beyond Death Paul Backholer, 2020-05-18 Come on a journey to another world of eternal bliss joy and light in this enchanting narrative which pulls you in and shows you heaven Meet those who have gone before into paradise and found eternal peace Enter into the heavenly Jerusalem with a man and an angelic guide to discover the truth about immortality the afterlife and the joy of eternity Discover the wonder of paradise the Garden of Eden the cloud of witnesses and be thrilled with loved ones reunited with the hope of heavenly rewards Introduction to Christian Theology Dr. Justo L. Gonzalez, Zaida Maldonado Perez, 2011-07-01 This book helps beginning theological students grasp the basics of Christian theology Consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study Their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time In the words of its authors this book offers an introduction to the fuller spectrum of Christian theology as it has developed through the centuries Few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as Gonzalez and Perez The chapter on Jesus Christ for example presents concise summaries of the treatments of Christ s person leading up to Chalcedon while suggesting a need for a multiplicity of images in understanding the work of Christ that liberates the

whole person and restores all creation Beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation Broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and introductory students in college and seminary One disappointing aspect of the book is an absence of Latino a feminist and liberation perspectives For a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in Hispanic theological education this lack is surprising David H Jensen Austin Presbyterian Theological Seminary in Religious Studies Review Volume 29 Number 3 July 2003
