Three Steps to Awakening Larry Rosenberg,Laura Zimmerman,2013-12-03 A unique adaptable model for meditation practice that ties together elements of the various Buddhist traditions The deceptively simple three phase method presented in Three Steps to Awakening is a meditation practice that can be worked with for a lifetime Larry Rosenberg looks to Zen Insight Meditation and the teachings of J Krishnamurti to find three kinds of meditation that anyone can do and that complement each other in a wonderful way 1 breath awareness 2 breath as anchor and 3 choiceless awareness Having the three methods in one s repertoire gives one meditation resources for any life situation In a time of stress for example one might use breath awareness exclusively Or on an extended retreat one might find choiceless awareness more appropriate The three step method has been taught to Larry s students at the Cambridge Meditation Center in Cambridge Massachusetts for many years After teaching the three step method Larry goes on to show how to bring the awareness gained in meditation to the world off the cushion into relationships and into all areas of daily life

Creating Compassionate Change in School Communities Ashley Seidel Potvin,William R. Penuel,Sona Dimidjian,Thupten Jinpa,2025-04-21 Addressing everyday suffering in schools through compassion Compassion and dignity provide an essential framework for building caring and inclusive schools Many books focus on what teachers can do as

individuals Creating Compassionate Change in School Communities is different This book focuses both on how educators can cultivate compassion within themselves and lead together to cultivate humanizing school environments Teachers librarians counselors resource specialists mental health professionals and social workers who are working to create conditions for compassion and dignity in schools are all leaders who can impact change Offering concrete evidence and case studies that showcase the power of compassion to create flourishing school communities and rejuvenate education the book will help all educators better serve K 12 students with school cultures that promote healing Compassion can be cultivated dignity can be affirmed and leaders need skillful means to do so tools and practices that can help them develop compassion for themselves and others and see their own dignity and that of others Experiment and engage in meditation practices to strengthen personal capacity for mindfulness and compassion and the application to the classroom and school communities Engage in hands on writing exercises and self reflection questions educators can ask themselves and then apply their personal growth to influence school policies and climate Gain perspective on compassion in schools through a multidisciplinary lens drawing from contemplative practices psychology and organizational change theory Learn from stories and examples of K 12 educators who have exemplified compassion in action While we cannot fully address all the suffering that is happening in schools today educators do have the power to work within themselves and together locally to create more compassionate responses to suffering and to affirm the dignity of all members of their school communities Creating Compassionate Change in School Communities offers a valuable approach to integrating wellness into schools as much for principals and superintendents as for teacher leaders librarians counselors resource specialists and others who work to create the conditions for compassion and dignity in their school

A Practice Beyond Cultural Humility Claudia Grauf-Grounds,Tina Sellers,Scott A. Edwards,Hee-Sun Cheon,Don Macdonald,Shawn Whitney,Peter Rivera,2020-02-27 A Practice Beyond Cultural Humility offers specific guidance to support students and practitioners in providing on going culturally attuned professional care The book introduces a multicultural diversity training model named the ORCA Stance an intentional practice which brings together four core components Openness Respect Curiosity and Accountability Drawing from an array of influences it showcases work with common clinical populations in a variety of contexts from private practice to international organizations Each clinical chapter offers a brief review of information relevant to the population discussed followed by a case study using the ORCA Stance and a summary of recommended best practices In each case the practice of the ORCA Stance is shown to allow relationships to become more culturally sensitive and therefore more effective A Practice Beyond Cultural Humility provides practical examples research and wisdom that can be applied in day to day clinical work and will be valuable reading for a wide range of mental health students and clinicians who seek to continue their professional development
