Beyond Picture Books Subject Access To Best Books For Beginning Readers:

Beyond Picture Books Barbara Barstow, Judith Riggle, Leslie M. Molnar, 2008 Recommended books for beginner readers accompanied by subject title illustrator readability level and series indexes **The Early Reader in Children's Literature and Culture** Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children s literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children s texts that have been translated and sold around the globe examining them as part of an increasingly transnational children s media culture that may add to or supplant regional ethnic and national children s literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe Gentle Reads Deanna J. McDaniel, 2008-06-30 This volume recommends some 500 positive heart warming stories for young readers stories of the human spirit and what it can accomplish stories of loving families surviving crises in positive ways historical tales full of quick witted people especially girls fairy tales with strong women true stories of survival and more These gentle and uplifting reads span every genre from science fiction and fantasy to mysteries realistic fiction biographies and nonfiction They are Accelerated Reader titles Reading Counts titles and Junior Library Guild selections Primarily intended for grades 5 to 9 this is a list of reading suggestions for the young adult who wants a great read but does not want to be offended Grades 5 9 **Administering the School Library Media Center** Betty J. Morris, 2010-08-16 This is the most comprehensive textbook on school library administration available now updated to include the latest standards and address new technologies This reference text provides a complete instructional overview of the workings of the library media center from the basics of administration budgeting facilities management organization selection of materials and staffing to explanations on how to promote information literacy and the value of digital tools like blogs wikis and podcasting Since the publication of the fourth edition of *Administering the School Library Media Center* in

2004 many changes have altered the landscape of school library administration the implementation of NCLB legislation and the revision of AASL standards just to mention two The book is divided into 14 chapters each devoted to a major topic in school library media management This latest edition gives media specialists a roadmap for designing a school library that is functional and intellectually stimulating while leading sources provide guidance for further research *Solving the Reading Riddle* Rita Soltan, 2010-04-15 This book explores what the past 75 years of reading instruction has meant to children teachers and parents and how children's librarians and school media specialists are a crucial part of the developing philosophy and strategy As a children's librarian you are increasingly being called upon to support schools and parents in teaching children to read from early literacy initiatives and read alouds to parent workshops and collection development endeavors Yet if you're like most public librarians you probably have no clue as to what reading strategies other educators use Understanding reading instruction theory and practice can help you function better in these roles and communicate more effectively with other educators and parents *Solving the Reading Riddle The Librarian's Guide to Reading Instruction* explains the theories and shows you how to effectively integrate reading instruction theory into your roles as reading advocate family reading coach partner with educators and keeper of the books Designed for public librarians this book is also beneficial reading for LIS students in children's librarianship courses and for teacher librarians needing more information on this topic *Fundamentals of Collection Development and Management* Peggy Johnson, 2014-03-21 In this sweeping revision of a text that has become an authoritative standard expert instructor and librarian Peggy Johnson addresses the art of controlling and updating library collections whether located locally or accessed remotely Each chapter offers complete coverage of one aspect of collection development and management including numerous suggestions for further reading and narrative case studies exploring the issues **Enhancing Teaching and Learning** Jean Donham, 2013-06-12 It is important for school librarians to consider the expertise of classroom teachers the position of school administrators and the beliefs and values of the community at large Striking the balance between collaboration and leadership is a key to successful implementation of an effective library program *Popular Series Fiction for K-6 Readers* Rebecca L. Thomas, Catherine Barr, 2009 Indexes popular fiction series for K-6 readers with groupings based on thematic consistent setting or consistent characters Annotated entries are arranged alphabetically by series name and include author publisher date grade level genre and a list of individual titles in the series Volume is indexed by author title and subject genre and includes appendixes suggesting books for boys girls and reluctant ESL readers *Library Journal* Melvil Dewey, Richard Rogers Bowker, L.
