Beyond Literary Chinatown Jeffrey F. L. Partridge, 2007 American Book Award Winner Before Columbus Foundation The phenomenon of literary Chinatown the ghettoization of Chinese American literature was produced by the same dynamics of race and representation that ghettoized the Chinese American community into literal Chinatowns In a 1982 response to reviews of *Woman Warrior* Maxine Hong Kingston pinpointed the crux of the matter How dare they make their ignorance our inscrutability Jeffrey F L Partridge examines the dynamic relationship between reader expectations of Chinese American literature and the challenges to these expectations posed by recent Chinese American texts challenges that push our understanding of a multicultural society to new horizons Partridge builds on the concept of a reading horizon a set of expectations and assumptions that a reader brings to a text to explore the crucial interplay between reader author and text Arguing that authors like Kingston Li Young Lee Gish Jen Shawn Wong Shirley Geok lin Lim and David Wong Louie are aware of their readers horizons and write to challenge those assumptions Partridge demonstrates how their writings function as a potent medium of cultural transformation With attentive readings not only of literary texts but also of book reviews and publishers marketing materials Partridge enables us to chart and to understand the changes in Chinese American literature and its reception in the past fifty years In doing so he threads a new path forward in the discussion of race and ethnicity in America one that encompasses the historical valence of multiculturalism and the cross fertilizing perspectives of postmodern hybridity theory while remaining cognizant of the persistence of racist and racialized thinking in contemporary American society *Beyond Literary Chinatown* demonstrates how Chinese American literature has come to negotiate the tensions between the expression of ethnic identity and a resistance to racialization This important contribution to the growing body of critical works on Asian American literature will be of interest to reception theorists and scholars of American ethnic studies and American literature Choice, 1987 *Chinatown Family* Yutang Lin, 2007 Lin Yutang 1895 1976 author of more than thirty five books was arguably the most distinguished Chinese American writer of the twentieth century In *Chinatown Family* he brings humor and wisdom to issues of culture race and religion as he tells the engrossing and heart warming story of an immigrant working class Chinese American family that settled in New York City during the 1930s and 1940s Tracing their sometimes troubled and sometimes rewarding journey Lin paints a vivid portrait of the wonder and the woe of settling into a new land In an era when interracial marriages were frowned upon and it was forbidden for working class Chinese men to bring their families to America this story shows how one family struggled to become new Americans by applying their Taoist philosophy to resist peacefully the discriminatory laws and racism they encountered Beyond the quest for acceptance and economic success *Chinatown Family* also probes deep into the heart of the immigration experience by presenting the perils of assimilation The burgeoning tension between the desire for material wealth and the traditional Chinese belief in the primary importance of family poses the question Is it possible to attain the American dream without damaging these primary

ties For each family member the answer to this question turns out to be different Through the varied paths that each character takes the novel dramatizes the ways that Chinese immigrants have negotiated between the competing interests of economic opportunity and traditional values Mambo in Chinatown Jean Kwok,2015-07-07 From the bestselling author of Searching for Sylvie Lee and Girl in Translation an inspiring novel about a young woman torn between her family duties in Chinatown and her escape into a more Western world Twenty two year old Charlie Wong grew up in New York s Chinatown the older daughter of a Beijing ballerina and a noodle maker Though an ABC American born Chinese Charlie s entire life has been limited to this small area Now grown she lives in the same tiny apartment with her widower father and her eleven year old sister and works miserably as a dishwasher But when she lands a job as a receptionist at a ballroom dance studio Charlie gains access to a world she hardly knew existed and everything she once took to be certain turns upside down Gradually at the dance studio awkward Charlie s natural talents begin to emerge With them her perspective expectations and sense of self are transformed something she must take great pains to hide from her father and his suspicion of all things Western As Charlie blossoms though her sister becomes chronically ill As Pa insists on treating his ailing child exclusively with Eastern practices to no avail Charlie is forced to try to reconcile her two selves and her two worlds Eastern and Western old world and new to rescue her little sister without sacrificing her newfound confidence and identity *The Paper Daughters of Chinatown* Heather B.
