Brown, Sally Baker, 2013-10-15 The individual has never been more important in society in almost every sphere of public and private life the individual is sovereign Yet the importance and apparent power assigned to the individual is not all that it seems As Responsible Citizens investigates via its UK based case studies this emphasis on the individual has gone hand in hand with a rise in subtle authoritarianism which has insinuated itself into the government of the population Whilst present throughout the public services this authoritarianism is most conspicuous in the health and social welfare sectors such that a kind of governance through responsibility is today enforced upon the population

Gender, Ethnicity and Political Agency Shaminder Takhar, 2013-07-18 This book examines how South Asian women's collective agency is operationalized through civic organizations in the UK Drawing on black feminist theory and third world feminism it shows the complexity of political agency and its relationship to identity and subjectivity and uses empirical research to demonstrate how women are empowered to resist domination The historically racialized image of the South Asian woman as lacking in political agency is challenged through their long history of activism on the Indian subcontinent The creation of critical spaces by South Asian women in the diaspora places them as active agents who have successfully influenced social policy on important issues such as forced marriage domestic violence and sexuality The engagement with the empirical data demonstrates the significance and impact of race racism sexism and religion on the lives of the women The book brings to the fore the pursuit of equality rights and justice including multiculturalism and the often
