With a Memoir of His Life and Character [by J. A. Albrol] Thomas SHEPARD (the Elder.), 1853 Back from the Dead Knox Mahlaba, 2014-04-01 Back from the Dead The Rising of an African Spirit is a celebration of life its different seasons and the struggle to overcome It is an anthology consisting of fifty poems some poems are images of personal struggles others visualize the celebration of love and a few are odes to great leaders and historical reflections The single message this book intends to transfer to the reader is that a sense of self love and appreciation does a world of good Throughout the book references are made to Africa with the sole intention of encouraging people Africans on the continent and across the Diaspora to reflect on their rich identity take responsibility for their self concept and to be proud of their heritage in order to inject a greater sense of self worth and responsibility in their daily lives **A Description of Two New Instruments, by which Astronomers & Nautical Men May Ascertain Their Correct Distance from Any Known Meridian, Etc** James

MacDonald (M.D.), 1826 **Strange Acts** Rick Strelan, 2004 This book examines many of the strange events and actions in Acts in the context of the Hellenistic world and from that perspective These events and actions include the ascension of Jesus direction by the Spirit visions angelophanies prison escapes and resuscitations of the dead Many of these events are either avoided in scholarship or are investigated with an agenda other than to understand them for themselves The book constructs an ancient audience to be one that has a close familiarity with the Septuagint and with other Greek and Latin writings The culturally strange events are then interpreted through the lens of these texts Strokes of Rhythm Kathy L. Lathon, 2015-12-19 Strokes of Rhythm began as bits and pieces of torn paper on which I simply jotted my thoughts and emotions I survived high school and college life by sifting through my feelings after seeing them in black and white Somehow the bits and pieces mounted up into somewhat of a diary Capturing almost every aspect of life happiness sadness prosperity love a spiritual realm touching upon every sense God gives us To share this small portion of my well lit space in the world is a pleasure Remember let there be light As long as you stay in the light darkness comes only in your sleep and even then your dreams are luminous
