## **Animal Behavior An Introduction To Behavioral Mechanisms Development And Ecology:**

**Animal Behavior** Mark Ridley, 2005 This classic textbook is a concise introductory guide to the subject of animal behavior The book is organized by first building the four cornered foundations of the subject then moving higher In an extremely well organized progression the student is lead to an understanding of the essential topics explained in logical self contained units Each chapter ends with suggestions for further reading In this second edition the coverage of mechanisms of behavior is much expanded as is the material on evolution and natural selection The chapter on development includes much of the new work on l

**Moveable Feasts** Sarah Murray, 2007-11-13 A fascinating chronicle of mankind s efforts to move food throughout history from the Financial Times contributor and author of Making an Exit The News Observer Today the average meal has traveled thousands of miles before reaching the dinner table How on earth did this happen Through delightful anecdotes and astonishing facts Moveable Feasts tells the stories Combining history science and politics Financial Times writer Sarah Murray provides a fascinating glimpse into the extraordinary odysseys of food from farm to fork She encounters everything from American grain falling from United Nations planes in Sudan to Mumbai s tiffin men who using only bicycles carts and their feet deliver more than 170 000 lunches a day Following the items on a grocery store shopping list Murray shows how the journeys of food have brought about seismic shifts in economics politics and even art By flying food into Berlin during the 1948 airlift the Allies kept a city of more than two million alive for more than a year and secured their first Cold War victory appealing to German hearts and minds and stomachs In nineteenth century Buffalo the grain elevator a giant mechanical scooping machine not only turned the city into one of America s wealthiest but it also had a profound influence on modern architecture giving Bauhaus designers an important source of inspiration In a thought provoking and highly entertaining account Moveable Feasts brings an entirely fresh perspective to the subject of food And today as global warming makes headlines and concerns mount about the food miles clocked by our dinners Murray poses a contentious question Is buying local always the most sustainable ethical choice
