The Death of America Bradley J. Franks, Robert C. Simpson, 2022-12-20 This book was written on behalf of Robert Charles Simpson who was falsely accused of crimes that he never did commit All charges and court cases brought against him were politically motivated by Liars Cheats and Thieves This book sets out to prove that America is Dead and the Corporate Government has insidiously taken over by making ALL Americans Corporate entities *A Practical and Elementary Abridgment of the Common Law as Altered and Established by the Recent Statutes, Rules of Court, and Modern Decisions ... 1824 to 1840 ...* Charles Petersdorff, 1841 **Green's Michigan Practice** Sanford Moon Green, Clark Asahel Nichols, 1911

The Truth About Watergate Nick Bryant, 2024-02-22 A delusion is a strong belief or conviction despite superior evidence to the contrary The Watergate delusion embraced by millions is that swashbuckling Bob Woodward and the left confronted the malevolent Nixon administration as it cast a sinister pall over America and slayed it with the lance of truth thereby saving democracy But the actual evidence demonstrates that Watergate was not a shining example of democracy and Bob Woodward s place among the pantheon of journalistic immortals is a grift One of the grand deceptions of Watergate is that Nixon s enemies on the left razed his presidency but it was actually his enemies on the right the far right who initially had the means motive and opportunity And although Bob Woodward and Carl Bernstein told numerous lies throughout their Watergate reporting Woodward s Big Lie was that he didn t meet Alexander Haig until 1973 As *The Truth About Watergate* takes the reader on a guided tour of the extraordinary lies and liars of Watergate it demonstrates that Woodward s fabrication about Haig has seismic implications If Woodward s Big Lie about Haig had been exposed then the synergistic mythologies of Bob Woodward and Deep Throat would have been shattered and swept away by gusts of veracity The Washington Post has scorned prior Watergate revisionist books like *Silent Coup* The Removal of a President as a conspiracy theory but *The Truth About Watergate* shows The Washington Post has fervent utilitarian motives for banishing *Silent Coup* to the conspiracy theory ghetto **Nothing but the Truth** Robyn Gigl, 2024-06-25 New York Times Best Crime Novels of the Year Fans of J A Jance Scott Turow Lisa Unger and Renee James will devour this propulsive and timely thriller about murder prejudice and police corruption as Erin McCabe transgender attorney of the Garden State discovers that getting to the truth can be deadly New Jersey State Trooper Jon Mazer has been charged with killing Black investigative reporter Russell Marshall in a racially charged headline making murder The evidence against criminal defense attorney Erin McCabe s new client is overwhelming The gun used is Mazer s off duty weapon Fingerprints and carpet fibers link Mazer to the crime And Mazer was patrolling Marshall s neighborhood shortly before the victim took three bullets to the chest Mazer s argument He s a gay officer being set up to take the fall in an even bigger story Mazer swears he was a secret source for Marshall s expos about the Lords of Discipline The covert gang operating within the New Jersey State Police is notorious for enforcing their own code of harassing women framing minorities and out powering any troopers who don t play their rogue

and racist games With everyone from the governor to the county prosecutor on the wrong side of justice Erin and her partner Duane Swisher are prepared to do anything to make sure Mazer doesn't become another victim As Erin deals with an intensely personal issue at home and faces an uphill battle to prove her client's innocence both she and Duane find themselves mired in a conspiracy of corruption deeper than they imagined and far more dangerous than they feared

Truth and Justice Smothered Russell W. Crooks, 2022-04-05 A talented young woman wins a full scholarship to a prestigious women's college marries the son of a prominent Boston family and newly married lives in Berlin This is the unlikely beginning of blackmail harassment and efforts to destroy her life Her husband a rising star in the State Department becomes involved with an ambitious British woman His wife Mary Ann soon becomes a target of this deceitful couple She is caught in a web of deceit lies and revenge Her life seems to spiral into a dark place with no escape A chance meeting with a guy from her high school class changes her future He fell in love with Mary Ann while they were both still in seventh grade and he never forgot her After she is falsely arrested for solicitation of minors for sexual activities he calls upon several of his friends who served with him in the navy One is now an FBI agent Another works for the CIA as an electronic warfare specialist The third friend works for the enigmatic N35 a black operations organization Under FBI agent Wolf's leadership this group launches an unofficial investigation But soon they learn that the techniques being used to track and harass Mary Ann are used by an international arms dealer and the vengeful power couple to launder money and it becomes a major investigation This leads to uncovering connections in Berlin Stockholm Washington and Boston But despite accumulating significant evidence justice is smothered by the power and money used by the former husband's family When a US attorney and the attorney general of the United States refuse to pursue prosecution or seek a grand jury it becomes clear that money and power trump justice at least for the moment
