Anf Nge Frauenstudiums Deutschland Gleichberechtigung Universitätsgeschichte

Marco Birn

Anf Nge Frauenstudiums Deutschland Gleichberechtigung Universitätsgeschichte:

Die Anfänge des Frauenstudiums in Deutschland Marco Birn, 2015 English summary For centuries universities were answerable for the training of young men and so they constituted an undisputed Boy s Club But who were the first women to enter German institutes of higher education and how did they carve out their own niche in academia The answer to these central questions is provided in this book on the basis of historical sources more recent statistical analysis and biographical evidence The studies in this book offer for the first time a summary view over the development of women s education in the German Empire with a comparative view to the present The studies present their results and their statistical base data not only for their own arguments but also to serve as a basis for further studies The results of the work are of particular importance for the modern understanding of equality and the still important issue of equality of opportunities for women and men German description Über Jahrhunderte hinweg waren die Universitäten für die Ausbildung der männlichen Jugend verantwortlich ein unbestrittener Hort der Männlichkeit Aber wer waren die ersten Frauen an den deutschen Hochschulen und wie erkämpften sie sich ihren Platz in der Wissenschaft Der Beantwortung dieser zentralen Frage wird anhand historischer Quellen neuester statistischer Auswertungen und biografischer Zeugnisse nachgegangen Die Studie bietet erstmals eine Gesamtschau über die Entwicklung des Frauenstudiums im Deutschen Kaiserreich mit einem vergleichenden Ausblick bis in die Gegenwart Sie stellt mit ihren Resultaten und statistischen Basisdaten auch eine Grundlage für spätere Forschung dar Die Ergebnisse der Arbeit sind zudem von grundlegender Bedeutung für das heutige Verständnis von Gleichberechtigung und die immer noch vorherrschende Chancenungleichheit von Frau und Mann
