Angels And Ages Lincoln Darwin And The Birth Of The Modern Age:

Angels and Ages Adam Gopnik, 2009-01-27 In this captivating double life Adam Gopnik searches for the men behind the icons of emancipation and evolution Born by cosmic coincidence on the same day in 1809 and separated by an ocean Lincoln and Darwin coauthored our sense of history and our understanding of man s place in the world Here Gopnik reveals these two men as they really were family men and social climbers ambitious manipulators and courageous adventurers grieving parents and brilliant scholars Above all we see them as thinkers and writers making and witnessing the great changes in thought that mark truly modern times The Readable Darwin Charles Darwin, 2023 Darwin s *The Origin of Species* is essential reading for anyone interested in biology evolution the natural world or the history of scientific thought However Darwin s references and writing style make the book difficult for contemporary readers to follow *The Readable Darwin* translates the sixth and final edition of *The Origin of Species* 1872 into clear engaging prose Whereas the first edition of *The Readable Darwin* includes the first eight chapters of Darwin s book this new edition presents all fifteen chapters of *The Origin of Species* and features over 100 illustrations **The Lincoln Assassination** Harold Holzer, Craig L. Oppenheim, 2015-02-11 *Psychoanalysis and the Artistic Endeavor* offers an intriguing window onto the creative thinking of several well known and highly creative individuals Internationally renowned writers painters choreographers and others converse with the author about their work and how it has been informed by their life experience Creative process frames the discussions but the topics explored are wide ranging and the interrelation of the personal and professional development of these artists is what comes to the fore The conversations are unique in providing insight not only into the art at hand and into the perspective of each artist on his or her own work but into the mind from which the work springs The interviews are lively in a way critical writing by its very nature is not rendering the ideas all that much more accessible The transcription of the live interview reveals the kind of reflection censored elsewhere the interplay of personal experience and creative process that are far more self consciously shaped in a text written for print Neither private conversation nor public lecture neither crafted response as to the media nor freely associative discourse as in the analytic consulting room these interviews have elements of all The volume guides the reader toward a deeper psychologically oriented understanding of literary and visual art and it engages the reader in the honest and often provocative revelations of a number of fascinating artists who pay testimony to their work in a way no one else can This is a unique collection of particular interest for psychoanalysts scholars and anyone looking for a deeper understanding of the creative process 1861 Adam Goodheart, 2012-02-21 A gripping and
