Anges 2016 Sculptures Patrice Thebault:

El discernimiento de los espíritus Thibault Luycx, 2024-06-19T00:00:00Z Desde la noche de los tiempos todas las culturas y religiones de los confines de la tierra han descrito un universo invisible poblado por espíritus buenos y malos le guste o no al materialismo moderno Lejos de quedarse atrás la tradición cristiana es al contrario muy rica en admirables enseñanzas al respecto en particular sobre la ardua cuestión del discernimiento de los espíritus que está indisolublemente unida a ella De San Pablo a los Padres del Desierto pasando por los más grandes teólogos y místicos como Santo Tomás y San Juan de la Cruz este libro recorre y condensa veinte siglos de reflexión teológica sobre el conocimiento de los ángeles buenos y malos y de cuyas inspiraciones son emisarios en el corazón de la naturaleza humana Esta investigación se basa ante todo en una perspectiva antropológica a partir de la experiencia clásica del autor en la Amazonia para demostrar que estas cuestiones no son en absoluto irrelevantes y que de hecho tienen una importancia crucial en particular en muchos enfoques terapéuticos Con todo el rigor histórico y escritural necesario este libro pretende ser ante todo pragmático y propone criterios concretos de discernimiento desde una perspectiva heredada de los expertos en la materia forjada por la rudeza del combate espiritual en el que estaban inmersos
