different kind of friendship was formed with the neighborhood garbage collector an illiterate but highly perceptive man named Sayyid whose access to the trash of Cairo would be its own kind of archaeological excavation Hessler also met a family of Chinese small business owners in the lingerie trade their view of the country proved a bracing counterpoint to the West's conventional wisdom Through the lives of these and other ordinary people in a time of tragedy and heartache and through connections between contemporary Egypt and its ancient past Hessler creates an astonishing portrait of a country and its people What emerges is a book of uncompromising intelligence and humanity the story of a land in which a weak state has collapsed but its underlying society remains in many ways painfully the same A worthy successor to works like Rebecca West's *Black Lamb and Grey Falcon* and Bruce Chatwin's *The Songlines* *The Buried* bids fair to be recognized as one of the great books of our time [Risking It All](#) Shannon Stults,2020-02-25 She's never been one to stay in the same place for long Darby Watkins hasn't been back to Willow Creek in years and with good reason But when an accident causes damage at the local equestrian center what's meant to be a quick visit turns into an indefinite stay while she works to pay back the owner And as if that weren't bad enough she is also forced to work with Caleb Forester the childhood best friend she hasn't seen or spoken to since she abruptly left him and the small town behind Darby is determined to get out of Willow Creek and back on the road as soon as possible but as she and Caleb rebuild their old friendship feelings start to grow beyond the familiar and into something new and real and infinitely more terrifying that she's sure will only lead to heartbreak Now Darby must choose between moving on and taking a chance on the one person who could finally be worth staying put for
