Helping Nature in Need Sarah Eason, 2023-02-01 Earth is under threat Today our planet faces huge challenges as a result of human actions The time has come to replace those negative actions with positive ones it s time to take eco action Readers will discover how environmental action is protecting our natural world and how organizations everywhere are taking action to help protect our planet Readers will also learn how they too can take eco action and help save planet Earth This call to action series explains the effect negative human actions have on our planet They are contrasted with positive actions organizations are taking to reverse and reduce the damage caused and positive actions that readers too can take to help protect the planet Children will feel empowered by guidance that explains how they can nurture our planet build a more sustainable future and even carve out a career in environmental care

The Most Dangerous Animal David Livingstone Smith, 2007-08-07 Original and compelling insights into the human capacity for war A must read for anyone interested in the psychological depths of human nature Barbara S Held author of Back to Reality Almost 200 million human beings mostly civilians have died in wars over the last century and there is no end of slaughter in sight The Most Dangerous Animal asks what it is about human nature that makes it possible for human beings to regularly slaughter their own kind It tells the story of why all human beings have the potential to be hideously cruel and destructive to one another Why are we our own worst enemy The book shows us that war has been with us in one form or another since prehistoric times and looking at the behavior of our close relatives the chimpanzees it argues that a penchant for group violence has been bred into us over millions of years of biological evolution The Most Dangerous Animal takes the reader on a journey through evolution history anthropology and psychology showing how and why the human mind has a dual nature on the one hand we are ferocious dangerous animals who regularly commit terrible atrocities against our own kind on the other we have a deep aversion to killing a horror of taking human life Meticulously researched and far reaching in scope and with examples taken from ancient and modern history The Most Dangerous Animal delivers a sobering lesson for an increasingly dangerous world Illuminates an exceedingly dark subject

humankind's deep seated penchant for war The result is a discerning insightful highly original and very disturbing book
Andrew J Bacevich author of *The Age of Illusions* *Blackwood's Edinburgh Magazine* ,1837 **The River of Life** Michael
