American Slavery as It Is Theodore Dwight Weld, 2015-07-16 Excerpt from American Slavery as It Is Testimony of a Thousand Witnesses Reader you are empannelled as a juror to try a plain case and bring in an honest verdict The question at issue is not one of law but of fact What is the actual condition of the slaves in the United States A plainer case never went to a jury Look at it Twenty seven hundred thousand persons in this country men women and children are in slavery Is slavery as a condition for human beings good bad or indifferent We submit the question without argument You have common sense and conscience and a human heart pronounce upon it You have a wife or a husband a child a father a mother a brother or a sister make the case your own make it theirs and bring in your verdict The case of Human Rights against Slavery has been adjudicated in the court of conscience times innumerable The same verdict has always been rendered Guilty the same sentence has always been pronounced Let it be accursed and human nature with her million echoes has rung it round the world in every language under heaven Let it be accursed Let it be accursed His heart is false to human nature who will not say Amen There is not a man on earth who does not believe that slavery is a curse Human beings may be inconsistent but human nature is true to herself She has uttered her testimony against slavery with a shriek ever since the monster was begotten and till it perishes amidst the execrations of the universe she will traverse the world on its track dealing her bolts upon its head and dashing against it her condemning brand We repeat it every man knows that slavery is a curse Whoever denies this his lips libel his heart Try him clank the chains in his ears and tell him they are for him Give him an hour to prepare his wife and children for a life of slavery Bid him make haste and get ready their necks for the yoke and their wrists for the cuffle chains then look at his pale lips and trembling knees and you have nature s testimony against slavery Two millions seven hundred thousand persons in these States are in this condition They were made slaves and are held such by force and by being put in fear and this for no crime Reader what have you to say of such treatment Is it right just benevolent Suppose I should seize you rob you of your liberty drive you into the field and make you work without pay as long as you live would that be justice and kindness or monstrous injustice and cruelty Now every body knows that the slaveholders do these things to the slaves every day and yet it is stoutly affirmed that they treat them well and kindly and that their tender regard for their slaves restrains the masters from inflicting cruelties upon them We shall go into no metaphysics to show the absurdity of this pretence The man who robs you every day is forsooth quite too tender hearted ever to cuff or kick you True he can snatch your money but he does it gently lest he should hurt you He can empty your pockets without qualms but if your stomach is empty it cuts him to the quick He can make you work a life time without pay but loves

you too well to let you go hungry He fleeces you of your rights with a relish but is shocked if you work bareheaded in summer or in winter without warm stockings He can make you go without your liberty but never without a shirt He can crush in you all hope of bettering your condition by vowing that you shall die his slave but though he can coolly torture your feelings he is too compassionate to lacerate your back he can break your heart but he is very tender of your skin He can strip you of all protection and thus expose you to all outrages but if you are exposed to the weather half clad and half sheltered how yearn his tender bowels American Slavery As It Is Theodore Dwight Weld,2020-09-05 Theodore Dwight Weld was born in
