American Sniper Ending Scene:

Behind the Scenes with Hollywood Producers Duane Byrge, 2016-06-03 We know what actors do We know what writers do But what does a movie producer do other than arrange financing for films and accept Academy Awards Featuring in depth interviews with 14 top movie producers including eight who have won Oscars for Best Picture this book describes how they nurture a project from concept to casting to screen They are entrepreneurs essentially creating a new business every time they start work on a film They possess an array of skills and talents and the resilience and the fortitude to not take no for an answer The interviewees are Marc Abraham Tony Bill Albert Berger Ron Yerxa Clint Eastwood Taylor Hackford Mark Johnson Arnold Kopelson Alan Ladd Jr Michael London Fred Roos Paula Wagner Jim Wilson and Janet Yang **The Hell of War Comes Home** Owen W. Gilman Jr., 2018-02-09 Owen W Gilman Jr stresses the US experience of war in the twenty first century and argues that wherever and whenever there is war there will be imaginative responses to it especially the recent wars in Afghanistan and Iraq Since the trauma of September 11 the experience of Americans at war has been rendered honestly and fully in a wide range of texts creative nonfiction and journalism film poetry and fiction These responses Gilman contends have packed a lot of power and measure up even to World War II s literature and film Like few other books Gilman s volume studies these new texts among them Kevin Powers s debut novel *The Yellow Birds* and Phil Klay s short stories *Redeployment* along with the films *The Hurt Locker* *American Sniper* and *Billy Lynn s Long Halftime Walk* For perspective Gilman also looks at some touchstones from the Vietnam War Compared to a few of the big Vietnam books and films this new material has mostly been read and watched by small audiences and generated less discussion Gilman exposes the circumstances in American culture currently preventing literature and film of our recent wars from making a significant impact He contends that Americans inclination to demand distraction limits learning from these compelling responses to war in the past decade According to Gilman where there should be clarity and depth of knowledge we instead face misunderstanding and the anguish endured by veterans betrayed by war and our lack of understanding *Passport Stamps: Searching the World for a War to Call Home* Sean D. Carberry, 2023-08-15 A candid darkly comic and emotionally naked tale of a former NPR journalist who driven by grief loss and the desire to find his tribe seeks solace in the world s most dangerous places and his pursuit to join the ranks of combat tested war correspondents The learning curve of reporting in hostile environments is steep and at times comical at others nearly fatal He encounters a lot of dust ragged infrastructure weaponry scary driving whiskey lust and way too much food poisoning When the assignment ends he is left to confront the mental and emotional impact of the years of danger death and destruction **Combat Death in Contemporary American Culture** Agnieszka Soltysik Monnet, 2020-12-16 *Combat Death in Contemporary American Culture* Popular Cultural Conceptions of War since World War II explores how war has been portrayed in the United States since World War II with a particular focus on an emotionally charged but rarely scrutinized topic combat death Agnieszka Soltysik Monnet argues that most stories

about war use three main building blocks melodrama adventure and horror Monnet examines how melodrama and adventure have helped make war seem acceptable to the American public by portraying combat death as a meaningful sacrifice and by making military killing look necessary and often even pleasurable Horror no longer serves its traditional purpose of making the bloody realities of war repulsive but has instead been repurposed in recent years to intensify the positivity of melodrama and adventure Thus this book offers a fascinating diagnosis of how war stories perform ideological and emotional work and why they have such a powerful grip on the American imagination HPI Case Files Book 5 Paul Dale Roberts aka The Demon Warrior,2015-02-24 Halo Paranormal Investigations gets calls throughout Northern California here are some of their cases Through the Crosshairs Roger Stahl,2018-06-21 Now that it has become so commonplace we rarely blink an eye at camera footage framed by the crosshairs of a sniper's gun or from the perspective of a descending smart bomb But how did this weaponized gaze become the norm for depicting war and how has it influenced public perceptions Through the Crosshairs traces the genealogy of this weapon's eye view across a wide range of genres including news reports military public relations images action movies video games and social media posts As he tracks how gun camera footage has spilled from the battlefield onto the screens of everyday civilian life Roger Stahl exposes how this raw video is carefully curated and edited to promote identification with military weaponry rather than with the targeted victims He reveals how the weaponized gaze is not only a powerful propagandistic frame but also a prime site of struggle over the representation of state violence
