Thomas, Alessandro Jedlowski, Aboneh Ashagrie, 2018-08-01 Over the past decade Ethiopian films have come to dominate the screening schedules of the many cinemas in Ethiopia s capital city of Addis Ababa as well as other urban centers Despite undergoing an unprecedented surge in production and popularity in Ethiopia and in the diaspora this phenomenon has been broadly overlooked by African film and media scholars and Ethiopianists alike This collection of essays and interviews on cinema in Ethiopia represents the first work of its kind and establishes a broad foundation for furthering research on this topic Taking an interdisciplinary approach to the topic and bringing together contributions from both Ethiopian and international scholars the collection offers new and alternative narratives for the development of screen media in Africa The book s relevance reaches far beyond its specific locale of Ethiopia as contributions focus on a broad range of topics such as commercial and genre films diaspora filmmaking and the role of women in the film

industry while simultaneously discussing multiple forms of screen media from satellite TV to video films Bringing both historical and contemporary moments of cinema in Ethiopia into the critical frame offers alternative considerations for the already radically changing critical paradigm surrounding the understandings of African cinema *Library of Congress*

### **African Literatures as World**

**Literature** Alexander Fyfe,Madhu Krishnan,2022-11-03 The enormous success of writers such as Teju Cole and Chimamanda Ngozi Adichie demonstrates that African literatures are now an international phenomenon But the apparent global legibility of a small number of mostly Anglophone writers in the diaspora raises the question of how literary producers from the continent both past and present have situated their work in relation to the world and the kinds of material networks to which this corresponds This collection shows how literatures from across the African continent engage with conceptualizations of the world in relation to local social and political issues Focusing on a wide variety of geographic historical and linguistic contexts the essays in this volume seek answers to the following questions What are the topographies of the world in different literary texts and traditions What are that world s limits boundaries and possibilities How do literary modes and forms such as realism narrative poetry or the political essay affect the presentation of worldliness What are the material networks of circulation that allow African literatures to become world literature African literatures it emerges do important theoretical work that speaks to the very core of world literary studies today **Advances of Science and Technology**

Edgar Award for Best Short Story presented by the Mystery Writers of America Several of the 14 stories here most of them striking and accomplished involve post revolution loss guilt and revenge Some are surreal fitting for a culture where as Mengiste writes in her introduction there are men who live in the mountains of Ethiopia and can turn into hyenas

Washington Post Akashic Books continues its award winning series of original noir anthologies launched in 2004 with Brooklyn Noir Each book comprises all new stories each one set in a distinct neighborhood or location within the respective city Brand new stories by Maaza Mengiste Adam Reta Mahtem Shiferraw Linda Yohannes Sulaiman Addonia Meron Hadero Mikael Awake Lelissa Girma Rebecca Fisseha Solomon Hailemariam Girma T Fantaye Teferi Nigussie Tafa Hannah Giorgis and Bewketu Seyoum From the introduction by Maaza Mengiste What marks life in Addis Ababa are the starkly different realities coexisting in one place It s a growing city taking shape beneath the fraught weight of history myth and memory It is a heady mix It can also be disorienting and it is in this space that the stories of Addis Ababa Noir reside These are not gentle stories They cross into forbidden territories and traverse the damaged terrain of the human heart The characters in these pages are complicated worthy of our judgment as much as they somehow manage to elude it The writers have each discovered their own ways to get us to lean in while forcing us to grit our teeth as we draw closer Despite the varied and distinct voices in these pages no single book can contain all of the wonderful intriguing vexing complexities of Addis Ababa But what you will read are stories by some of Ethiopia s most talented writers living in the country and abroad Each of them considers the many ways that myth and truth and a country s dark edges come together to create something wholly original and unsettling
