Surviving The Middle Miles Darryl Rosen, 2007-11 In *The Arms of Baby Hop* is a direct no nonsense but powerful expressive autobiographic collection of how hip hop music has shaped inspired redirected and given strength to Mr Kenny Attaway's life as he writes I fell in love with hip hop in 1985 and the love is still strong the bond still is With the exception of GOD and my mother hip hop music has been the medicine needed for many sick and cinematic nights Over the last 20 years many situations have arrived and without GOD mom and the music I know I would not be here to be telling you shit My music helped me to understand many of the unkind facets of life such as death discrimination low self esteem poverty and whatever else your mind can fester to throw in the melting pot Hip hop has helped me to remember to forget accept my reality change my reality and inspired me to change the world in some aspects Thanks to hip hop excuse me baby hop I have inspired and been inspired to set precedence in taking part in some of the most amazing things ever In baby hop I found a voice a stage a shoulder a goal a friend but most importantly I found a purpose With this book In *The Arms of Baby Hop* I found the strength courage and inspiration to open up and write about some of the most interpersonal experiences and road blocks in life over the last 20 years I also found a way to thank baby hop for inspiring me not only to get through the road block but to gyrate giggle respect the power of music and rejoice along the way In short I deliver to you In *The Arms of Baby Hop* the unrecorded double LP the rappin book

their lives and how they cope with the ups and downs of the world they live in One scene in particular is pivotal and brings them together on a snowy day in Schaumburg Illinois Life will change forever for some in this tale Music plays a large part along with the day to day life that people live and their jobs they report to and how they communicate with others and how they deal with loss It focuses on a mother and a husband and then a son Then it becomes just a mother and son They go through life with problems like everyone and you see how they deal with them and how they get through the difficult times The arguments they have and the love that they find and lose You see how a boy grows up into a teenager and see his likes and dislikes and what he seems to want in life A mother who deals with things not always going her way and just adjusting to it and hoping things turn out for the best We learn about other characters who have smaller roles in this tale but they are as well very important and you fell for them and what they have in relationships and their careers and their families They are out doing the most normal tasks and talking with friends and communicating with their pets They are dealing with the snow and the winter in the Midwest A world can be cruel and it can tear things apart if you re not careful They have no idea what is to come but they are real people with problems and issues and some are in love and some are in the process of fixing their mistakes and they will be in the same place on a cool snowy February Saturday Beginnings and Endings this is true in many senses as this novel goes on Lives and relationships and love and events they all are part of this cycle Some of these things end and some of these begin This world is filled with sadness and darkness and then at the same time it is filled with some happiness and the characters are set to these feelings and that day A boy and his mother wait outside and wonder what just happened and you have no real answer for him What do you say That wasn t what you expected to see and you didn t expect to hear screams Her husband his father picks them up and they drive off with a new sense of life and a feeling of sadness has taken over them
