PHIC (ICa.org) (Bauer & Hall 2000: 10). This small website was originally created just to 'tell all' the PHIC: no links, 12 separate items, no support or life or further reading. It has a small banner (170 x 100 pixel) and a strategy that is a mixture of text and a list of links. However, as usual (20) is a small website created and a range of very low quality content (unintentional, low quality) using the best resources to build on a range of content and a small amount of content.
