Medico-legal Handbook Cameron Stewart,Ian Kerridge,Malcolm Parker,2007 The Australian Medico Legal Handbook provides an easily understood reference guide to legal and ethical issues encountered in daily medical practice It also covers the laws in all Australian jurisdictions answering the most commonly asked questions in clinical practice What if I get sued What do I do if someone refuses treatment What deaths do I refer to the Coroner Who can decide about a child s treatment What if I make a mistake Law as Change Paul Babie,Paul Leadbeter,2014 In 2011 Professor Adrian J Bradbrook retired

from a distinguished scholarly career spanning over forty years During this time he made a significant contribution to teaching and scholarship not only in property law specifically to leasehold tenancies law and easements and restrictive covenants but also to energy law especially the emerging and growing field of solar energy This book brings together those people who worked closely with Bradbrook each an expert in their own right to honour a career by critically engaging with the contributions Bradbrook made to property and energy law Each author has chosen a topic that both fits with their own cutting edge research and explores the related contributions made by Bradbrook Most unusually this collection ranges widely across property law energy law and human rights **Codifying Contract Law** Mary Keyes,Therese

Wilson,2016-05-23 Exploring the advantages and disadvantages of codifying contract law this book considers the question from the perspectives of both civil and common law systems referring in detail to issues of international and consumer law With contributions from leading international scholars the chapters present a range of opinions on the virtues of codification encouraging further debate on this topic The book commences with a discussion on the internationalization imperative for codification of contract law It then turns to regional issues exploring first codification attempts in the European Union and Japan and then issues relevant to codification in the common law jurisdictions of Australia New Zealand and the United States The collection concludes with two chapters which consider the need to draw upon both private and comparative international law perspectives to inform any codification reforms This book will be of interest to international and comparative contract law academics as well as regulators and policy makers **Global Perspectives on Subsidiarity**

Michelle Evans,Augusto Zimmermann,2014-05-16 Global Perspectives on Subsidiarity is the first book of its kind exclusively devoted to the principle of subsidiarity It sheds new light on the principle and explores and develops the many applications of the principle of subsidiarity The book provides a comprehensive overview of the principle in all its facets from its philosophical origins in the writings of Aristotle and Aquinas to its development in Catholic social doctrine and its emergence as a key principle in European Union Law This book explores the relationship between subsidiarity and concepts such as

sphere sovereignty and social pluralism It analyses subsidiarity in light of globalisation federalism democracy individual rights and welfare and discusses subsidiarity and the Australian Brazilian and German Constitutions **The Australian Law Times** ,1895 Australian Commercial Law Clive Turner,1992 Nineteenth edition of a detailed guide to commercial legal practice for readers at the bar Several chapters have been extensively revised including those on intellectual property insurance bankruptcy and industrial relations The author teaches law at the University of Queensland An index a glossary and tables of cases and statutes are included **Catholic Values and Australian Realities** James Franklin,2006 Australian Catholics have made a unique contribution to the nation At its centre is a solid grasp of the objectivity of ethics Persons or societies cannot choose their own values because what is right and wrong is founded in the way things are In his wide ranging book on Australian Catholic thought and action James Franklin author of the much praised polemical history of Australian philosophy *Corrupting the Youth* shows how core Catholic values have played out in the issues where Catholics have challenged their host society in debates on land rights immigration and values in schools and in combats with Freemasons Protestants and Communists
