Terrorist Manual Leroy Thompson, 2009-10-19 A comprehensive guide to counterterrorism units around the world and their

recruitment training weapons equipment tactics and missions In the past thirty five years counterterrorist units have been

deployed to deal with airplane ship train and bus hijackings They have rescued hostages in various types of buildings and

have dealt with barricaded bank robbers prison rioters and assorted dangerous criminals Thousands have been rescued and

millions have been safer because terrorists were aware that elite antiterrorist units were poised to act should they take

hostages Following the September 11th attack on the World Trade Centre the mission of many anti terrorist units has

expanded Some units now track terrorists to their lairs in other countries and strike them there Despite the significant and

growing role of these units little is known about the way they operate The selection training structure and principles of

maintaining such units together with basic theories of asymmetric warfare are the subject of Thompson s latest work In a

practical step by step guide he analyses the necessary organization of such elite teams the arming and equipping of units and

methods for a variety of missions from hostage rescue and high level dignitary protection to securing foreign embassies and

counter WMD strikes Open the pages of this book and enter the world of the counterterrorist operator Praise for The Counter
