Author Inspector Napoleon Bonaparte Mysteries:

The New Shoe Arthur W. Upfield, 2020-06-01 The nude body of a man is discovered entombed in the walls of Split Point Lighthouse on the south east coast of Australia Inspector Bonaparte wonders why a coffin is moved at night who was the girl struggling with Dick Lake on the cliff tops and what caused the Bully Buccaneers to deal in death An ordinary policeman could afford to fail but Bony never The story takes place at Split Point 80 miles between Anglesea and Lorne The story is enlivened and made more stark by contrast by a series of Dickensian characters who are unexcelled in Upfield and perhaps elsewhere as well Despite the solemnity of the occasion for the visit Upfield maintains a kind of corpse like humour which is very amusing The whole book is first class Upfield and first class crime fiction from The Spirit of Australia by Ray Browne

Madman's Bend Arthur W. Upfield, 2020-06-01 If any man was ever born to be murdered it was William Lush a hated drunk who disappeared after beating his wife to death Plenty of men had the opportunity to murder Lush some the means none the motive Jill Madden his pretty step daughter had all three When Lush disappears Inspector Bonaparte must look for a body and the murderer before the Darling River rises to flood level This novel is one of Upfield's major accomplishments Bony's determined search no matter where guilt falls is fascinating This book is Upfield at his best from The Spirit of

Australia by Ray Browne **The Devil's Steps** Arthur W. Upfield, 2020-06-01 On special assignment with Military Intelligence Detective Inspector Bonaparte leaves his familiar Australian outback environment for Melbourne and a nearby mountain resort Although out of his element with city people Bony displays his characteristic skills to interpret some puzzling clues in the search for a wily killer The complex half caste Bony is I think my favourite fictional detective of the past twenty years Anthony Boucher The New York Times **The Barrakee Mystery** Arthur William Upfield, 1972-01-01 **Murder**

Must Wait Arthur W. Upfield, 2020-06-01 In the little town of Mitford New South Wales four babies have been stolen all boys all under three months old and all apparently neglected by their mothers The local police have given up and the trail is cold Then a fifth child vanishes and the mother is found dead next to the empty cot Inspector Bonaparte is called in first to find the missing children and only then to solve the murder Bony a unique figure among top flight detectives BBC **An Author**

Bites the Dust Arthur W. Upfield, 2020-06-01 A cat a ping pong ball a drunken gardener With these slight clues to go on Detective Inspector Bonaparte investigates the mysterious death of famous author Mervyn Blake who dies an agonising death late one night in his writing room But how did he die No one knows No one that is until Bony's acute observation of human nature uncovers the murderer and the method used to kill Blake One of the few Bonaparte mysteries not set in the outback reveals Upfield at his best and most ingenious Napoleon Bonaparte my best detective Daily Express **Venom House** Arthur W. Upfield, 2020-06-01 The Answerth family's mansion seems to deserve its nickname of Venom House perhaps because of its forbidding setting an island in the centre of a man made lake its treacherous waters studded by the skeletons of long dead trees Perhaps it's because of the unquiet ghosts of the Aborigines slaughtered by the Answerth ancestors Whatever the

reason most people are content to give Venom House and its occupants a wide berth until a couple of corpses turn up in the lake The strength of Upfield s accomplishment in this book is so overwhelming it makes the reader cower The characters are well developed the conversation vernacular for the Australian outback and the development compelling The story is the nearest Upfield comes to a story that would have made Edgar Allen Poe envious Upfield maintains a kind of corpse like humour which is very amusing The whole book is first class Upfield and first class crime fiction from The Spirit of Australia by Ray Browne Wings Above the Diamantina Arthur W. Upfield,2020-06-01 The discovery of a stolen red monoplane on the dry flat bottom of Emu Lake meant many things for different folks For Elizabeth Nettlefold the chance to nurse its strangely ill meant renewed purpose in life For Dr Knowles brilliant physician and town drunk it meant the revival of a romantic dream For some it meant a murder plan gone awry and for Bonaparte it meant one of the toughest cases of his career Bony a unique figure among top flight detectives BBC Bony and the White Savage Arthur William Upfield,1988 An Inspector Bonaparte mystery The New Shoe Arthur William Upfield,1968
