The One-Straw Revolution Masanobu Fukuoka, 2010-09-08 Call it Zen and the Art of Farming or a Little Green Book Masanobu Fukuoka's manifesto about farming eating and the limits of human knowledge presents a radical challenge to the global systems we rely on for our food At the same time it is a spiritual memoir of a man whose innovative system of cultivating the earth reflects a deep faith in the wholeness and balance of the natural world As Wendell Berry writes in his preface the book is valuable to us because it is at once practical and philosophical It is an inspiring necessary book about agriculture because it is not just about agriculture Trained as a scientist Fukuoka rejected both modern agribusiness and centuries of agricultural practice deciding instead that the best forms of cultivation mirror nature's own laws Over the next three decades he perfected his so called do nothing technique commonsense sustainable practices that all but eliminate the use of pesticides fertilizer tillage and perhaps most significantly wasteful effort Whether you're a guerrilla gardener or a kitchen gardener dedicated to slow food or simply looking to live a healthier life you will find something here you may even be moved to start a revolution of your own

family the work of writing and the transience of memory Images and Shadows Iris Origo's autobiographical account of her early life is as perceptive and humane and beautifully written as her celebrated memoir War in Val d'Orcia Origo's father came from an old and moneyed American family her mother was the daughter of an Irish peer and Iris grew up in the most privileged of circumstances Her father died of tuberculosis when he was only thirty and her mother moved to Fiesole Italy where she and Iris developed a close friendship with the great connoisseur and art historian Bernard Berenson Later Origo and her Italian husband transformed a desolate and deforested Tuscan property into a flourishing estate and it was there that she discovered her true calling as a writer In Images and Shadows Origo paints portraits of her shy loving father and her headstrong mother and describes beloved places the books that formed her sensibility and how she grew up and made her way in the world She reflects on the pleasures and challenges of writing and evokes the persistence and fragility of memory Images and Shadows is an autobiography that is as thoughtful as it is profoundly touching Writing Politics David Bromwich, 2020-10-20 Explore the tradition of the political essay with this brilliant anthology David Bromwich is one of the most well informed cogent and morally uncompromising political writers on the left today He is also one of our finest intellectual historians and literary critics In Writing Politics Bromwich presents twenty seven essays by different writers from the beginning of the modern political world in the seventeenth century until recent times essays that grapple with issues that continue to shape history revolution and war racism women's rights the status of the worker the nature of citizenship imperialism violence and nonviolence among them and essays that have also been chosen as superlative examples of the power of written English to reshape our thoughts and the world Jonathan Swift Edmund Burke Henry David Thoreau Harriet Taylor Abraham Lincoln George Eliot W E B Du Bois Mohandas Gandhi Virginia Woolf Martin Luther King and Hannah Arendt are here among others along with a wide ranging introduction **Sketches of the Criminal World** Varlam Shalamov, 2020-01-14 The astonishing follow up to 2018's Kolyma Stories In 1936 Varlam Shalamov a journalist and writer was arrested for counterrevolutionary activities and sent to the Soviet Gulag He survived fifteen years in the prison camps and returned from the Far North to write one of the masterpieces of twentieth century literature an epic array of short fictional tales reflecting the years he spent in the Gulag Sketches of the Criminal World is the second of two volumes the first Kolyma Stories was published by NYRB Classics in 2018 that together constitute the first complete English translation of Shalamov's stories and the only one to be based on the authorized Russian text In this second volume Shalamov sets out to answer the fundamental moral questions that plagued him in the camps where he encountered firsthand the criminal world as a real place far more evil than Dostoyevsky's underground How does someone stop being human and How are criminals made By 1972 when he was writing his last stories the camps were being demolished the guard towers and barracks razed Did we exist Shalamov asks then answers without hesitation I reply We did The Jokers Albert Cossery, 2010-07-13 Who are the jokers The jokers are the government and the biggest joker of all is the governor a bug eyed strutting rapacious

character of unequalled incompetence who presides over the nameless Middle Eastern city where this effervescent comedy by Albert Cossery is set The jokers are also the revolutionaries no less bumbling and no less infatuated with the trappings of power than the government they oppose And the jokers are Karim Omar Heykal Urfy and their friends free spirits who see the other jokers for the jokers they are and have cooked up a sophisticated and most important foolproof plan to enliven public life with a dash of subversive humor The joke is on them all **The Expendable Man** Dorothy B. Hughes, 2012-07-03

It was surprising what old experiences remembered could do to a presumably educated civilized man And Hugh Denimore a young doctor driving his mother's Cadillac from Los Angeles to Phoenix is eminently educated and civilized He is privileged would seem to have the world at his feet even Then why does the sight of a few redneck teenagers disconcert him Why is he reluctant to pick up a disheveled girl hitchhiking along the desert highway And why is he the first person the police suspect when she is found dead in Arizona a few days later Dorothy B Hughes ranks with Raymond Chandler and Patricia Highsmith as a master of mid century noir In books like *In a Lonely Place* and *Ride the Pink Horse* she exposed a seething discontent underneath the veneer of twentieth century prosperity With *The Expendable Man* first published in 1963 Hughes upends the conventions of the wrong man narrative to deliver a story that engages readers even as it implicates them in the greatest of all American crimes **The Professor and the Siren** Giuseppe Tomasi Di Lampedusa, 2014-06-17 An NYRB Classics
